Winter won't last forever, will it???

It's 12 degrees this morning and I'm having difficulty getting motivated. Sound familiar??

Maybe it's a senior citizen thing.

There's always something I can get done in my shop. Yes, it's heated, but it's a frigid 100 ft. walk from my

house. I have a mental list of things I need to address on our "A" before another driving season. Maybe if I write them down, that will be the kick in the pants I need to get motivated. These winter days make me long for warm weather and the fun that goes with it in our Model A, with friends, but it also makes me reflect on those friends who won't be with us this season. No doubt about it, our organization is aging. With that aging comes the increased frequency of members passing. In my chapter, we've had two members pass on within the last week. This just points out that we need to value, to savor our days and time together. Friends as much as family add real substance to our lives. In that vein, it's never too late to add to that circle of friends. Take your "A" to places you don't ordinarily. Engage people you might not otherwise. You never know where that new friend will appear.

Kathy and I came to Penn Ohio as the result of a man sprinting across the Canfield Fairgrounds when he spied us in our roadster. We had never heard of the organization and he invited us to join the local chapter on an overnight trip the next weekend. We're so glad he made the effort! That was almost 26 years ago. We are so thankful for the circle of friends that resulted from that one man's effort.

NOTES FROM THE EDITOR

I have received very few updates for the officer's page. If your chapter changed Presidents for the year 2020, please send in that information so I can update the Officer's Page.

I also managed to pick up on some chapter losses in their chapter write ups. If you lose a member, PLEASE send the info to me at **stewarddiana711@gmail.com** so there is no chance of me missing it and we can recognize these losses in a timely manner.

PENN OHIO CHAPTER NEWS

FIVE POINTS CORRESPONDENTS:

Brian Revak and
Stephanie Shaw

On Saturday, December 7, Five Points Chapter gathered at Columbiana Burger King parking lot to travel together to Steubenville, Ohio. We saw the Nutcracker Village of all the 184 different themed nutcrackers that stand at 6 foot tall.

We did some shopping in the downtown area. The nutcrackers were set up throughout the downtown area. It was neat seeing them everywhere. Then we dined at Naples Italian Restaurant for good food and some fun. Afterward, we made our way to an indoor G-scale railroad and mill exhibit that has 1200 feet of track and several trains running through an incredible landscaping of houses and a steel mill.

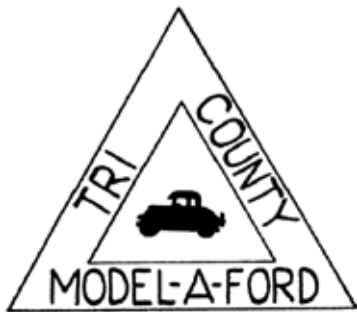

(6)

FIVE POINTS CONTINUED:

Five Points' December meeting was held the 14th along with our Christmas party. Don and Martha Urchek once again opened their doors to host this event and prepare some delicious soup. Don made his mushroom soup and Martha made her stuffed pepper soup. All other attendees brought sides and desserts. After the business meeting and filling our stomachs, it was time to get the white elephant gift exchange started! Every year there is usually that one gift that nobody can keep in their possession for long, and this year was no different, except for the gift that was highly sought after.....an antique siren!! Great food and fellowship was had by all! Thank you Don and Martha for hosting this once again!

January meeting was held on an unusually warm Saturday morning, rainy but warm. This weather was not good enough to bring out any A's!! Bedford Trails Golf Course was the meeting place on the 11th at 9 a.m. Approximately 30 of us met and had our breakfast along with our meeting. Plans are well underway for the Spring Fling. This will take place March 14th at Ala Cart Catering in Canfield at 2 p.m. Plans to change the February meeting were made due to the golf course have a Chili Cook-off and not having the banquet room available. We will be meeting February 15th at 9 a.m.

TRI COUNTY CORRESPONDENT:

**Jan Baker and
Diana Stewart**

On Sunday, January 12, 2020, Tri County met at the First Church of the Brethren in New Philadelphia. Gary and Diana Stewart were our hosts, and we enjoyed a lovely lunch of soups, hamburgers, and desserts which they had prepared.

At 2:50 pm, Mel Allen called the meeting to order with sixteen members present. He announced that Dennis Kempthorne and Dave Shanklin celebrated birthdays recently. Mel asked each of them to share a memory of a favorite birthday celebration.

Jan Baker read minutes from the December meeting and Diana Stewart gave the Treasurer's report.....both reports were approved as read.

Old Business: The situation with the Model T Club's tour and their request for volunteer help is unresolved. Our chapter made suggestions, but they have not gotten back with a response.

Mel passed around the sign-up sheet for hosting meetings in 2020.

New Business: Roger Baker stated that John Menches of Rubber City Chapter had a heart attack and subsequently had triple bypass surgery. He is doing well at the last

TRI COUNTY CONTINUED:

report. John was supposed to take over as Penn-Ohio Treasurer in January but that has been postponed until he has a chance to recouperate from his surgery. Best wishes are extended to John from all of our Chapter.

Mel Allen is slated for a cardiac ablation in February and we wish him luck with this procedure.

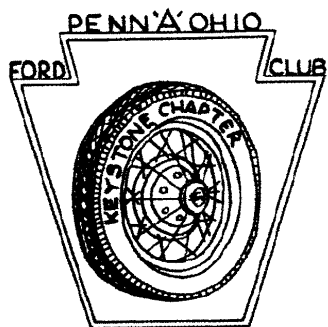

Dennis Kempthorne stated he will miss the February meeting as he will be in the Virgin Islands. Bet that was a hard choice to make, Dennis!!!!

Mel and Gloria Allen won the 50/50 prize but donated the money back to the club.

Leonard and Bonnie distributed a handout for the next meeting, which will be on Sunday, February 9th at 2 p.m. at Hog Heaven in New Philadelphia. Leonard did creative drawings on the flyers.

Dennis Kempthorne moved for adjournment. Bob Eberle seconded the motion, and the meeting was adjourned.

Following the meeting, we all played a "getting to know you" type of game. Each person was given 10 cards. Gary Stewart read questions such as "have you ever been skinny dipping" or "ever ridden in a convertible with the top down" or "sung karaoke", if you could answer the question affirmatively, you discarded a card. The first 3 players to lose all of their cards were awarded prizes for "having led an interesting if not rewarding life!!!" Everyone had a good time....it was nice to be able to enjoy actual fellowship rather than just a meal and meeting!

KEYSTONE CORRESPONDENT: Carol Mengel

The November meeting of the Keystone Chapter of the Model A Ford Club was held at Hoss's in Erie hosted by Roger and Cheryl Anderson. We were pleased to learn that member John Romesburg won a First Junior award at the Hershey Car Show in October for his 1916 Oldsmobile. After a few problems, John and his wife, Joyce, arrived just in time to be judged with 398 points. Congrats to John and Joyce!! After the meeting, several members traveled to tour a Hot Rod Shop.

The December meeting of the Keystone Chapter met at Hoss's in Meadville hosted by Ed and Carol Mengel. Ed announced that Darlynn Fink had been selected to be an assistant director of the Penn-Ohio Model A Ford Club.

There is a tour planned in June in Cumberland, MD.

KEYSTONE CONTINUED:

Election of Officers took place with the following being elected:

President: Ed Mengel

Vice President: Jim Hillwig

Secretary: Carol Mengel

Treasurer: Byron Carson

The chapter always gives money collected to a needy person or organization. It was decided to give the money to Richard Woods, brother of member Jerry Woods, who is seriously ill with cancer.

The January meeting of the Keystone Chapter was held at Cannon's Chop House in Meadville hosted by Jack and Chris Shaaf with 26 attending.

Plans were put in place for an Amish dinner to take place near Grove City on September 12.

Jack Shaaf presented a cooking demonstration using the Model A. It even told us how far it had to be driven to cook various dishes! A cookbook for this demonstration is available. It was very informative and amusing!

John Romesberg read us the recipe for Christmas fruitcake made with moonshine. I doubt any of us will try it but it was fun to listen to.

RUBBER CITY CORRESPONDENT: Jon Pederson

MERRY CHRISTMAS to all and to all a good night!!!

The Rubber City Model A Club had the most delightful Christmas party. John Menches had long ago memories of swimming at the beautiful Turkey Food Lake. Thus, he orchestrated the Turkey Foot Lake Country Club as the site of our winter celebration. The serving personnel, administration, and kitchen staff performed well above all expectations. The dining experience was superb....a fabulous salad with delectable roasted chicken breast and beef plus veggies and rolls. They then finished off the evening with a holiday cake.

We were fortunate to have a surprise guest couple, Mr. and Mrs. Santa Claus attend our festive dinner.

RUBBER CITY CONTINUED:

In turn, they were pleased to entertain all of us this date. You all know they were the real thing since they had that special twinkle in their eyes. Mrs. Claus read to us “The Night Before Christmas” and all of us were captivated by her delivery.....even the bigger kids over 50-ish plus. Now it was Santa himself who had to reestablish himself!!! First he pulled a blank paged book & with the help of Roman Jurey (Great -Grandson of Larry and Cheryl Cogley) who miraculously created detailed black & white seasonal sketches. We were all quite surprised! A supplemental help came from Addison & Ben Robert (Granddaughter and Grandson of Jim and Marci Klimo) who in an instant were able to transfer vivid colors to all of the previously black and white sketches. Not only were the youngsters surprised but the oldsters were shocked. The old ones thought they knew everything. I hear that there were quite a few seniors leaving the Turkey Foot Lake Country Club scratching their heads in shock and amazement!

We all left with a sense of rekindled wonderment of the Christmas season.

FLYING QUAIL CORRESPONDENT: Susan Sandrock

The November 9th meeting of the Flying Quail was hosted by Bill Pahl at the Wildcat Cafe in Vanlue. Their backroom meeting area may just become our new favorite. 12 members and Tanner, son of Brian and Sara Pahl, attended. It was a cold, windy, rainy day but there were 2 A's parked outside. I don't believe either had an overheating issue!

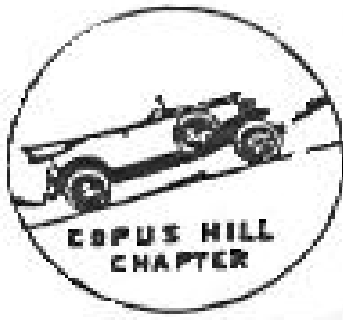

With lunch orders taken and the Ohio State Football game on all the walls of the room, President Howard McNish held the business portion of the day. When the birthdays and anniversaries were read, we found it was Paul Neal's birthday. Happy Birthday was sung in his honor. Sign up sheets for 2020 were circulated.

Howard and Bill will attend the Penn Ohio board meeting and report to the group next month. When the business meeting was complete (and we all had our chance to order a piece of their many flavors of pie) Bill handed out our Thanksgiving quiz...testing our knowledge (or lack of). The individual with the most knowledge was Paul, winner of a whole pumpkin pie. (I think he flunked the true-false portion that didn't count). Another fun afternoon with Model A friends. Thanks Bill for hosting another month.

December 1st was a bright sunny day for our Christmas party at Ole Zims in Gibsonburg. Hosted by the Sandrocks and Benches. 18 members and two guests, Gary and Linda Hall attended. Don and Janice provided beautiful red poinsettias on the tables with one going to each household after the meal. Thanks Don and Janice. We were served family style for the lunch, with some pie trades made before the meal. Always good food and you never go home hungry. We left Zims (the sunshine was gone and wind had a damp chill to it) and made the trip back to the Benches greenhouse where we held our business meeting. Bill Pahl and Howard gave us a recap of the Penn Ohio board meeting. The June PO trip was mentioned with details to come in the new year. Discussion was held about trying to increase membership in the club. Howard asked if anyone had any parts to sell or needed help with their Model A. Following the meeting we were able to shop in the Christmas store and the end of another Model A year, anticipating our journeys on the back roads in 2020.

Shortly after our December meeting, the Flying Quails lost member, **Ed Quaintance**. Ed and his wife, Cheryl, are our northernmost members living up in Michigan. He often modified his car to "improve the ride". Our thoughts are with Cheryl and the family.

Next meeting for the Flying Quail will pick up in February....Happy New Year to all!

COPUS HILL CORRESPONDENT: Mary Jane Saylor

As I sit here waiting for the rain to start before it turns to snow (UGH), I need to remember what an awesome fall weather day that Copus Hill had on Saturday, October 19th for our annual bean soup supper. It couldn't have been more perfect... sunny, 60's, spiced hot cider smells, trees changing color by the minute, light breeze, blue skies, aroma of soup cooking over open flames....PERFECT!!!! And it brought out a nice crowd to Gene and Sharon Vicker's backyard estate....32 to be exact including new members (we certainly hope!), Tim and Victoria Groff and Gary and Starla Scholer! Gene had started the fire early

and Sharon made sure all the ingredients were added correctly and by 4 o'clock the "soups on" call brought everyone with their soup bowls lining up. Others headed to the dessert and side dish tables for a feast to mark down in history....the members brought an assortment of everything you can imagine and it was all delicious!!!!

Some ate outside in the glorious weather and some

opted to eat inside (closer to the food!!!) but everybody assembled around the fire with full tummies for sure!!! Prez Tom Franzen conducted our meeting, welcoming our guests, introducing Louise who told of plans for our Christmas party and then looked for volunteers to seek sites to hold Penn-Ohio's Spring Banquet which we will host. Then the fun began... Copus Hill has a "secret" initiation ritual which had a crowd trying to pass the test...lots of fun and we've all been subject to it but can't tell because we've still got one couple to be initiated!!! Always a hoot!! It was a beautiful day and evening... lots of us sat around joking, lying and getting acquainted with our potential new members.. they are already initiated so they are family already!! And eventually, the smore ingredients were brought out and had a couple takers....wonderful day!! We all thanked the Vickers' as we headed home and hoped they can bottle this superb weather for next year!!!!

AAHHH !! Thanksgiving means turkey, potatoes, casseroles, salads, wonderful aromas, cranberry compote, ham, dressing, PIES, gravy, family and football.... we had them all to celebrate the holiday. Because the only time to count how many were there when they

COPUS HILL CONTINUED:

were sitting and eating, and I sure as heck was eating then too, my best guess is somewhere between 25 and 30 people including prospective new members the Campbell's and Chuck Stiffler's son and daughter-in-law. Betsy expertly prepared the turkey and ham and the members loaded the table with all the other goodies and then found their seats on the lovely enclosed porch or inside close enough to keep track of games on the television. After really "filling our middles", Prez Tom Franzen called the meeting to order with the usual business stuff and the start of plans for places to hold the spring banquet for Penn-Ohio. Memberships were all handed in, including three new members to our "family". The rest of the afternoon was spent talking, joking, napping, yelling at the tv and enjoying each other's company ... eventually we all waddled to our cars to head home thankful to the Alexander's for opening their lovely home and hosting our growing family.

December 7, 1941, was a sad day when Pearl Harbor was bombed...but, December 7, 2019 was a glorious day because Copus Hill celebrated Christmas at Landoll Castle's event center near Loudonville, Louise Yochheim and I (aka Thelma and Louise) made arrangements for this gala celebration of Christmas. Our noon luncheon did not allow us to see the myriad of beautiful lights on the castle but our room was festively decorated and the bright sunshine added glittery effects to the candlelit tables. (Thanks to Becky Tittelbaugh and Betsy Alexander for helping with the decorations). Two very talented Clear Fork student musicians, Michael and Cameron, beautifully played and sang Christmas music before and after our meals were served and then led us in a sing-a-long including some "alternative" verses to familiar carols...what a hoot!!! Delicious meals devoured, songs sung, short meeting held, pictures taken and lots of "Merry Christmas and Happy New Year" greetings were heard as we headed homeward. And Copus Hill wishes the same to all our Penn-Ohio friends...see you all in 2020!!!!

CRANKSTERS CORRESPONDENT: Dawn Painter

Have you ever been to the Rose Bowl Parade? I haven't but I can't believe there is any more excitement than is found at Medina's Parade of Lights. It's strange to see fire trucks, horse drawn carriages, semi trucks, and even people festooned with Christmas lights.

Five Cranksters proudly joined the parade, all beautifully decorated for the show. After the parade, the Cranksters met at Ruby Tuesday's for a hot meal and get ready for that cold trip over the river and through the woods to our nice warm homes.

The Cranksters mourn the loss of 26 year member, Chet Yanke, who passed on December 18, 2019

RIDGE RUNNERS CORRESPONDENT: Darlynn Fink

The Ridge Runners have been trying to stay warm during the early winter months. Of course, we have had a little snow, but we also had some 50+ days. We met at Evermoore's Restaurant in New Bethlehem in November for breakfast. We had 17 folks there and had a great variety of breakfast items. Due to the awkward arrangement of seating at the table, our meeting conversation was quite disjointed, but the holiday atmosphere made our time together quite pleasurable. Plans were made for our Dec. 6th Christmas Party. The party was held at the Gold Eagle Restaurant in Brookville PA and planned by Don and Ruthie Niederriter. We had 26 folks in attendance and had great meals, ranging from prime rib to chicken to cod. Our group is not one to silently eat and go home. We celebrated the season with much noisy conversation and many Christmas games. Do you know why Santa has 3 gardens? So he can "ho, ho, ho." We challenged ourselves with Christmas trivia, and our ability to decipher scrambled Christmas carols and songs. We enjoyed a "dirty Santa" gift exchange which opened up the possibility of losing a coveted gift to someone else. In the end, we all went home with full tummies and a lot of Christmas joy!
