Notes from the Editor's Desk

Are you a budding Mark Twain? Do you have any interest in writing? Looking for your chapter's news and can't find it? Over half of the chapter's fail to sending in any news for the Quail. If you would like to see your chapter's activities shared with other members

of Penn-Ohio, please consider being your chapter's correspondent. We have so many chapter's that don't send in information.

To all correspondents: if you have email, please email your chapter news. Please email to ModelAJ@NEO.RR.COM. I appreciate those who use this method. If you don't know how to attach pictures, you can send pictures separately in the mail and I will scan them.

Correspondent deadlines:

June 5	July Issue
July 5	August Issue
August 5	September Issue
September 5	October Issue

Director: Dave Weisel

Well, Spring is finally here. First meet of the season was in Emlenton held by the Ridge Runners. Nice facility and a great meet. Nice job by their chapter.

Then in May, Crankster's had their meet in Medina. They also did a great job. I guess everyone is getting the Quail online because we are having a good turnout at these meets.

Our Club is about windshield time with the old cars, but some of our members have reached the age that driving distance in their A's is difficult. But bless those that still arrive in moderns. All are welcomed and appreciated.

No meet in June so we will look forward to seeing everyone in July.

David Weisel (Grumpy)

Announcements

A reminder to all Penn-Ohio Members and Chapter Officers:

Debbie Kempke is now the current Penn-Ohio Secretary. Please make sure that you send all membership renewals and club correspondence to Debbie at her contact address listed on page 3 of this publication.

Penn-Ohio Chapter News

Mohican

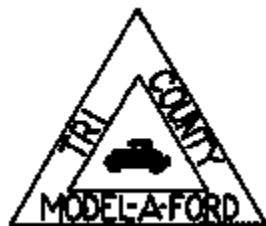

Correspondents:

Betty Smith

Paul Rowlands was our host for our April 12 meeting. We met at 6:00 p.m. at Buehler's Market Community Room in Orrville. Those attending were Norm and Linda Ream, Raymond and Natalie Fahrni, Duane Schie and friend Margaret, Luain Graff, Gary and Ginny Heckathorn, Jean Sigler and daughter, Dave and Donna Anderson and Smiths. Luain was the first of our chapter to return from wintering in Florida - good to have her back. Since we hadn't seen Jean for quite some time, it was good to have her join us. After much initial "gabbing," we finally ordered from the menu, ate our meals and got ready for the business meeting.

Usual procedure: meeting called to order, minutes and Treasurer's report given. No old business except for reminder of Penn-Ohio Spring Banquet. New business: Smiths had spent the entire day traveling with Rubber City. We went over this with our chapter to see if they'd be interested in making a similar trip. The decision is to be made next month. The 50/50 was won the Natalie.

Our thanks to Paul for making all of the arrangements.

Tri-County

Correspondent:

Melvin Allen

Twelve members met at Beachy's Restaurant in Sugarcreek for our monthly meeting. This is one nice place to meet and eat if any of the other chapters are traveling in the Sugarcreek area. After our 1:00 PM eating and into our business meeting we found out we are not broke. There is money in the bank.

Our minutes from the previous meeting were reported by Roger and we even approved them. The special called meeting to be held before the April 27 spring kick off dinner has an agenda that was read and hashed about.

1. We are still kicking the horse about when memberships should be in and, if late, what are the problems.
2. Reduction in dues, pros and cons.
3. Possible meet schedule realignment.
4. The October fall meet date change.

After we were businesssed out, Dwight and Lillian VanFossen, our hosts for the day, took us to the "Wall" in town to see the handiwork of a local artist done in fire-kiln brick. Amazing!!

Our next stop was the historical center that had many artifacts and items on display. The

history of the Amish and the settlement of that area are very interesting! We even saw part of the outdoor cuckoo clock that Dwight and the other men have repaired and put back in operation for all visitors to see.

Our next meeting will be the Cruze-In on May 10th hosted by the Shanklins. I hope to see you all there as we, Tri-County, are helping put this gig on.

**Rubber City
Correspondent:
Bruce Rollings**

Rain, rain—Noah more, please, at least for a while! Rubber City started our April with a 10-car outing to Coshocton on the 12th, hosted by the Allshouses—only reported not-so-good was the demise of Stanley Koczur’s gas gauge. Stanley & Jean also hosted our meeting on the 13th at New Era Café in Akron, with sweet treats for the 30-some attending. We discussed & voted on Penn-Ohio issues and options for day trips & tours for the upcoming season. It was particularly nice to see Jim & Martha Knight there, as Martha is recovering from an injury. Sparky Baker showed off the Rubber City embroidered logo on his and Lynda’s jackets—very nice—and Dave was also the winner of the big 50-50 raffle!

Dave Weisel, the Koczurs, Petersons, Nortons, and Allshouses attended the Penn-Ohio Spring Banquet in Emlenton, Pa. Rob Allshouse qualified for the 1st honorary band-aid of the season by losing a fan blade near Emlenton—the car was retrieved later that evening without further incident!

Our next event will be the Akron baseball parade on May 10, with a visit to the (formerly) Wink’s Drive-In in Barberton, now hosted by Thano’s restaurant, with dinner and a meeting to follow. Also coming up are a Kenmore Parade on May 26, and the traditional Memorial Day Parades in Hudson and New Franklin/Clinton/Canal Fulton, with a picnic to follow at the Nortons. There are also a number of tour options being organized, more on these later!

Our thoughts & prayers list continues to be long—please include Jim Summers, Judy Shaffer, Jim Davis, Les and Lois Lucas, John Coleman, Pat Peterson, Martha Knight, and Connie Mamajek in your thoughts. I think I’ll take a little time to work on the relic today before returning to the home Spring catch-up list!

**Copus Hill
Correspondent:
Neal Franzen**

April 19th saw Copus Hill meeting at Kroger’s on Ashland Road for a fun day ahead. We had 9 Model “A’s and 4 modern irons. It was a cool day in the upper 50’s and great weather to have the cars out for the first time. We took a nice scenic drive around the Malabar Farm area. We made our stop for the day in Loudonville where we spent the afternoon shopping and having

lunch. The local newspaper took some pictures of the cars and put an article in their paper about our stop. After that we headed towards Ashland where we had our traditional ice cream stop. We thanked Gene and Sharon Vickers for a great day and headed our separate ways home. It was a great start to the driving season.

Cranksters
Correspondant
Nancy Haake

Finally the snow has melted (except for a few piles left in the remote corners of parking lots in the malls) and driving season is upon us at long last. The winter seems as though it was long and cold and now everyone is eager to get their "A's" out to drive. Of course before it is time to drive, one must make sure that everything is in running order in our cars. As always the Cranksters had Maintenance Day on Saturday April 26 at Joe's Garage, aka Joe and Beverly McGlamery's house. Cranksters drifted in and out during the hours Joe's Garage was open for members to have work done. The main items consisted of oil changes, tire checks, brake checks and any other minor items that needed to be looked into. There were plenty of mechanics crawling around on the floor as well as giving good directions from around the cars. There is never a shortage of opinions during Maintenance Day—just take your choice! Now that

our cars are in good running order we are anxious to get them out on trips!

As per tradition, a number of wives came along to talk and watch the maintenance being done. Lunch was provided by various members with Sloppy Joes and pulled pork being the main entrées. There is always plenty to eat and today was no exception! As we filled our bellies and car work was done, members headed down the road looking forward to a great driving season for the Cranksters! Let the sun shine on our cars and may there be lots of fun events to be involved in!

CLASSIFIED
