Penn-Ohio Chapter News

**Five Points
Correspondent:
Susan Modzel**

Approximately 25 people braved the coldest day of this season to have breakfast and attend the monthly meeting of Five Points Model A Club on Saturday, February 13, 2016, at Four Star Restaurant in Cortland.

President Ray Razzano presented the women who had organized the ladies Kick-Off Dinner with a thank you gift and a concern was raised about the fact that only 60% of donations to Wounded Warrior Organization goes to wounded military personnel. Each member received a list of possible day trip destinations for this summer's driving season. One of the trips discussed is the Ohio Central Railroad in the Canton, Ohio area. It is a free tour but requires a minimum of 40 people, so other car clubs may need to be invited to get a large enough group together. In regard to our Kick-Off Dinner, it was decided that the third Saturday in January will be a fixed date for that event and whether or not we continue to get entertainment for that event is still up for discussion.

The drawing for the 50/50 raffle was held and for four candy-filled Valentine centerpieces. The meeting was adjourned at 10:30 a.m.

The March meeting of the Five Points Chapter met at the Four Star Restaurant in Cortland, OH at 9 A.M. on Saturday March 12, 2016. Forty four people attended the meeting. The pledge of allegiance and a moment of silence was observed.

The Treasurer's report was given by Von Wolfe. The balance at the end of February was \$1999.75. The Secretary's report was given by Gerry Stafford. Motions were made and seconded to accept.

The 50/50 raffle took in \$34 dollars; half was won by Lois English and the other half went to the club treasury. Bo Gilliland won the Easter Egg and candy. Thank you to all those who participated. Congratulations to the winners.

The Chardon Maple Festival and Parade will be held Saturday, April 23, 2016. The parade starts at 3 P.M. Other activities start earlier. Further details at the April meeting, so mark your calendars. Saturday May 28, 2016, the club will take a day trip to the Peter Allen Inn, the Cherry Valley Amish Store in Jamestown, PA and eat at the Bent Fork Restaurant. Timetable to be announced at the April meeting.

Paul and Kenny are planning a day trip to Guilford Lake on May 7, 2016. There will be a picnic in July at the Urcheks. Plans for both events will be given at the April meeting.

Historian Roger Yost read a poem about how things have changed through the years from a young person's view. It was thought provoking. He also related the details of a club trip to Gettysburg, PA taken in August, 1980.

The Penn-Ohio Tour is taking place from (Sun. thru Fri.) June 19-24, 2016. Plans are to head to Tiffin on St. Rte. 224. The cars will be on the freeway for about 20 miles. Otherwise, it will be a leisurely, countryside drive.

June 27 to July 1, 2016, The Sweet 16 A's is hosting an event in Toledo, OH.

Martin Palich, a member of the Antique Truck Club of America (ATCA) came to the Four Star

Restaurant and invited us to his club's two events. Saturday, July 23, 2016, the ATCA is having a car and truck light parade at the Indian Creek Campground in Geneva-on-the-Lake. Saturday, August 13, 2016, from 8 A.M. to 4 P.M., there will be a car and truck show at Cerni Motors in Austintown, OH.

In lieu of an admission and registration fee, the ATCA is asking for donations of non-perishable food items for the Second Harvest Food Bank or a monetary donation. Flyers will be available at the April meeting or you may contact Martin at 330-978-8216.

It was great to see so many members at the meeting. Looking forward to seeing everyone in April.

Correspondent:
Bill McElroy**

The weather cooperated as the Mohican gang assembled for an evening of fellowship on January 16th at the Smithville Inn in Smithville, Ohio with our hosts Betty and Buster Smith. Buster's kin folk joined us for the evening. Now, why would Buster's kin folk agree to being seen with him in public. Well as it turns out, this was an early celebration for Betty and Buster's 60 wedding anniversary! How amazing is that! 60 years of marriage! Buster told us that in 60 years he and Betty have never had a fight. I'm thinking he meant they never had a fight that he won. Well, the more I think about it, what would two wonderful people have to fight about anyway? Happy anniversary Betty and Buster!

I've known Buster and Betty most all of my life. We became good friends back in the late 70's when Buster stored our 47 Ford Convertible in his near empty garage. Once they got the Model A bug, around 1981, we began traveling many Model A miles together. We've raced several times and I even let Buster win once or twice. One of the best memories was in Tennessee (1988) when I gave their Coupe a needed tow. Good times! Buster has helped me in my many restoration projects and eating Christmas cookies.

The evening was full of surprises as Buster and Betty picked up the tab for the evening. I'm wondering if there are any other important dates coming up where we can get Buster to spring for another meal? Another hobby of Buster's is stained glass work. He made two angels and gave them away. Pat and Michelle were the lucky winners.

Those in attendance were Ginny Herrmann and her mom (Beatrice), Norm and Linda Ream, Dave and Donna Anderson, Don and Shirley Buehler, Ray and Natalie Fahrni, Charlie Paquelet, Michelle Vernotzy and Shirley Landis, Bill McGill and friend Pat, Eric and Carla Myers and Bob and son Bill McElroy. Buster's kin folk are his sister Eileen, his niece Bonnie and his nephew Mark and wife Judy.

President Dave told us the story of the dueling GPS's. He and Donna had recently taken off on a trip and had an old and a new GPS guiding them on their way. Fortunately, Dave and Donna are smarter

than their GPS and did not take the left turn off the bridge on the exit that wasn't there. Who else has experienced the road that isn't there? They eventually ended up in Florida and stopped to say hello to our good friends the Mayberrys. We hope they are doing well in Florida.

With a heavy heart, we mourn the loss of Dan Herrmann. Dan was a long time member, collector of all things fine, hard worker, loyal, honest and dependable. A good friend to all and a loving husband to Ginny. We will greatly miss the company and conversation with our friend, Dan. We were all blessed to have had Dan in our lives. Rest in Peace, our good friend.

The night was COLD! Yet, there are only two things that can keep the Mohicans from meeting. Cold is not one of them. The Mohicans met on February 13 at the Community Room of Buehler's Supermarket in Orrville. Nineteen Indians braved the teens temperatures to sit and eat and reminisce about old times.

Those in attendance were Ginny Herrmann, Buster and Betty Smith, Duane Schie, Carey and Kelly Carter, Jim and Liz Fink, Charles and Judy Paquelet, Ray and Natalie Fahrni with daughter Danette, Dave and Donna Anderson with the McElroys as the hosts. I got to sit next to Danette! We received news that Virginia Heckathorn has had some surgery. We hope she is feeling better. Since the night was as cold as it was, we didn't sit around too long after dinner to chat. So, maybe I'll have more to report next time.

Hope all is well and THINK SPRING!

The Tri-County Model A Ford Club met Sunday, January 10, 2016, and welcomed the slate of new officers. Elected were: Mel Allen, President; Dave Shanklin, VP; Jan Baker, Secretary; Diana Stewart, Treasurer; and Dennis Kempthorne, Correspondent. Several members expressed an interest in participating in the Back Roads Tour in June.

Tri-County Model A Ford Club met for lunch at Zoar Tavern on February 14th for a Valentine's Day lunch. It was a nice drive for most of us. But some members decided that staying in Florida for a while was a better choice than Ohio. I just can't understand this. The sun was trying to shine here. Really! Plans were made by some members to get their cars ready for the upcoming driving season. We always run out of time for this. Well, maybe it's just me that runs out of time.

Today's tip is a home made cleaning product to clean your shower doors and showers. To make, pour one cup blue Dawn into a 32-ounce spray bottle (1/2 cup Dawn if you are using a 16-ounce bottle). Fill the bottle the rest of the way with white vinegar. Apply sprayer top; shake gently to mix. Spray your shower and let sit for a few minutes then rinse. If you have stubborn soap scum, let it sit overnight and rinse in the morning.

Beware the Ides of March, but not the ideas! 25 degrees today, headed for 65 Wednesday—come on Spring!

Looking back to the Akron Santa Parade on Thanksgiving Saturday, we had seven hardy Model A-ers, and 13 folks at the New Era Café for lunch afterward, and the Christmas party at Menches Restaurant, with Santa and 64 helpers in attendance. January featured a successful booth at the NOMAC Swap Meet in Medina, with Rubber City folks selling over \$2000 in assorted parts and parcels- cleared out a lot of good garage space!

We had our Valentine's Day fest at Menches on February 14th, with 49 attendees, hosted by John & Sherri Hall (with a beautiful cake!). We got our Penn-Ohio membership cards, had an informative session with a rep from Hagerty Auto Insurance, and info on upcoming events from new President Gary Martin. Suzie Rollings was the lucky winner of the 50-50 drawing!

Early March (3-4) was the weekend jaunt to the Dutch Host Inn at Sugarcreek. We'll also take part in the Akron St. Patrick's Day Parade on March 12th, a meeting on the 13th at Thano's in Barberton hosted by the Hanawalts, and some in the Cleveland St. Pat's parade on the 17th. The April meeting will be hosted by Stan & Jean Koczur at the New Era Restaurant in Akron on Sunday the 10th at 4:00.

Rubber City has 48 members, including new members from Ravenna, Joshua & Jamie Madden- Welcome!

Another good news item is that our Jim Summers is cancer free!

We also have some cars up for sale:

'31 Phaeton- call Glenn Black @ 330-310-9860

'29 Briggs 4 dr., complete 2006 restoration, asking \$12000-Denise Taylor, 330-328-4436

'29 Briggs 4 dr., full body off restoration, gray on gray w/red wheels & whitewall tires, 57K miles, asking \$22,599. In Willoughby OH, call 440-725-5375.

'28 Tudor, nice car! call Gary Martin 330-769-3315

My relic is resting snugly in the neighbor's garage, and we're heading out to New Mexico for a visit with my sister and family. Hopefully spring will have sprung when we return!

**NEO
Correspondent:
Pat Proch**

NEO held their first meeting of the year at the Lake County Historical Society. Don Lynch provided some dates for some of the parades in which NEO usually has great participation. The Chardon Maple Festival parades occur on both April 23rd and 24th. We must participate on both days to be eligible for prize money or trophy. The Fairport Harbor Mardi Gras parade will be on June 30th. The Lake County Fair Parade will be on August 17th, the first day of the fair. The Grape Jamboree Festival will take place

on September 24th and 25th. Finally, the Covered Bridge Festival will be held on October 8th and 9th, but will begin and end in downtown Jefferson.

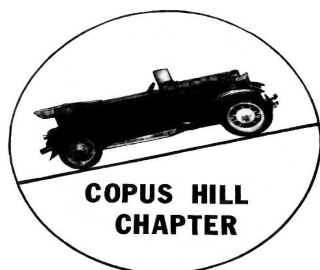

Marty Hosta discussed the October 16th, 50th Anniversary of NEO. Since this will be a special event for NEO with special auction prizes, caps, shirts and maybe tote bags for our members. Jim Ulle and Ron Sieloff are looking into suppliers for these items. It is now time for our members to sign up for the various committees. These volunteers will hold a planning session after the return of our Florida members.

On January 23rd, interested members met at the Painesville Township Hall to participate with the Budget and Activities committee in planning activities and tours for the driving season.

NEO members gathered for dinner at Chops Restaurant in Geneva on Sunday, January 30th.

At the February meeting, Joe Mazzone stated that he had a customer who owned a Model A and was seeking information. Bill Grof and Marty Hosta will upgrade the club pamphlets and business cards; Ron Sieloff will get the pamphlets printed.

Tech Tip from Marty: Rust-Oleum has a glossy black paint that will be a temporary fix for old fabric roofs. Two coats should protect the roof from leaks. With the mild weather, maybe it is time to start preparing the car for the driving season.

Mary Jane Saylor

First off, Copus Hill IS alive and well!!! Although we haven't been "chatty" lately, we have been busy!!!

November found us in the Garrett's Blacheyville where we feasted and railroaded last year's officers into serving again. The Rachels hosted our Christmas meet with an excellent meal and (as I understand from the last Quail) we played the same "draw your Xmas scene on the paper plate on top of your head" game as did the Ridge Runners at their party. That was December 5th and on December 8th, we were all saddened by the death of long time member Clarence Simmering. His health over the last year deteriorated and we know now that he is at peace and that he and his "Mary Mary" are motoring around together now. His daughter Joyce will be driving the A come spring and we welcome her to Copus Hill chapter.

Then in January, we motored to Bricker's near Shelby for our "soup" meeting. The weather was cold, snowy and drifts, so it was typical. (Shortly after we learned of the passing of former member Mack Watts who had been struggling to recover from an earlier stroke.) Ideas about food and activities for our September Penn-Ohio meet were kicked around and by our February meet that Popeye and I hosted with help from the Vickers, the committee reported back and things look pretty well set. As our meet was after Valentine's Day and before St. Patrick's Day, it was a February Hodgepodge meet with mismatched table cloths and decorations. Our ham dinner and mind games playing trivia made for a great time. (Wonder which wise guy it was who put losing raffle tickets in my A&W root beer jug.... Blaine!!!!!!) Of course Copus Hill "eats out" the first Wednesday of the month and at least one member has put an engine in his A and others have been tinkering around waiting for spring or on cruises and trips to warmer places....so for now....never fear....Copus Hill is here!!!!!!

The Ridge Runners are happy to welcome Denny and Cindy Morgan into our club as new Penn-Ohio members. Our little club is chugging along.

We met in January and February for breakfast at EverMoore's Restaurant. We have been working on summer plans for our August Penn-Ohio meet while enjoying talk about our mild winter. Even with the mild winter, our talk moves forward to plans for picnics and warm weather activities.

Don and Ruthie Niederriter are planning to put together a tour for May to Lancaster, PA, and then on to Pottsville, PA, to tour a brewery. Perhaps there may be a stop in York as well. The trip is still in the planning stages, but we would like to invite anyone from Penn-Ohio to join us. If anyone is interested, more details will follow. Right now, the dates are going to fall during the week of May 16th, either two to three nights during the week. If interested, contact Don at 814-354-2805. We would love to have folks from other chapters join us.

Our meetings are always filled with jokes and friendly chatter, and maintaining interest for an actual business meeting is a chore. One member, known for his cryptic conversation, ended the meeting with this question: What do you call a person who keeps talking when no one else is listening? His answer was the following (a jab at my former profession, I think): a teacher.

Announcements

If anyone has information on how to trace a Model A identification number (same as the motor number) back through previous owners to the original sale by the dealer, please send me the information so I can publish it in the Quail. I believe this would be of interest to a number of members.

All chapters: Please let me know who your current chapter president is so that I can have current information listed under the officers.

May is our memorial issue. Please make sure I have the names of any members who passed away in 2015 so they can be included. Thank you.

If you have information concerning a meet that you would like posted to the Penn-Ohio website, please email it to: info@modelaclub.com. The webmaster is the only one that can set anything into the website and I have no access to post your items. The only items I need emailed to me are items to be in the Quail. Thank you.

For Sale: 1931 (standard black) Tudor driving Model "A" for sale. Motor was rebuilt 8000 miles ago and insert bearings were installed. The car has an electronic ignition system, an emergency shutoff on the electrical system and when you turn the key off, it automatically shuts off the gas. It has a touring cam bored out 40 over, an S10, 5 speed transmission (the trailing arm, which can bend on this transmission I had engineered beefed up to take care of that problem. However, I have not installed it yet but it comes with the car.) The original "A" transmission comes with the car. For our comfort in touring with this car, I had installed 16" radial tires. The front axle has been bent so the wheels are straight up and down to improve steering and handling. New brakes were installed 2000 miles ago and there are cast iron drums on the front axle only. It has a complete 12 volt system with a CB radio installed over the windshield. It comes with a wolf whistle and an exhaust whistle. Included with the car is a large selection of parts: (3) 16" rims and (2) 19" rims (the 19" rims have Firestone blackwall tires on them). This is a traveling car. It has been from Toledo, OH to Maine and back and from Toledo to Mackinaw and back. It has also been driven to Key West from Lake Wales, Fl and back. This is a driving car not a show car. The condition of the car on a scale of 1 to 10 is about a 7. We are also offering as a package deal an enclosed trailer that we used to haul the "A" to Florida and back. It is a 2006, 24 foot trailer in fair condition. In the front of the trailer is a work bench and plenty of cabinet space for storing things. Also included, is the equalizer trailer hitch. Contact Jerry Hergenreder at 419-878-0969.
