Notes from the Editor's Desk

This is going to be a sad issue. I had only one chapter turn in an article.

I also have a correction for a new Member. Joyce Sistek is a member of Copus Hill. She was erroneously listed as Joyce Sister.

To all correspondents: if you have email, please email your chapter news. Please email to editor@modelclub.com. I appreciate those who use this method. If you don't know how to attach pictures, you can send pictures separately in the mail and I will scan them.

We have certainly had some great days for driving your "A" with better days to come. There are no problems at this time and I hope we can keep it that way. For all those going on the Penn-Ohio Tour, it sounds like you are going to have a good time. Rick and Diane Greene have put in a lot of time planning the tour and looks like everyone is going to be kept busy. Finally I hope everyone can travel to Medina, Ohio for the Cranksters

Penn-Ohio Meet. Hope to see you all there.

Penn-Ohio Chapter News

**Five Points
Correspondent:
Susan Modzel**

On Saturday, April 9, 2106, President Ray Razzano called the meeting to order at the Four Star Restaurant in Cortland, Ohio at 9 A.M. Considering the cold snowy weather, we had more people attend the meeting than expected. The pledge of allegiance and a moment of silence were observed. The minutes from the March meeting were read by Gerry Stafford. A motion to accept the minutes was made and seconded; the motion was passed by the members present. The Treasurer's report was given by Von Wolfe. A motion was made and seconded to accept the report as read and the motion was passed.

President Ray Razzano announced that raffle tickets for the Model A Restorers Club would be available. First prize is a Model A engine.

Kenny Shonce discussed the local chapter outing to Guilford Lake. All who would like to take the tour are asked to meet at Dino's Restaurant in North Jackson, Ohio at 9 A.M. on May 7, 2016. For further details, contact Kenny.

The Chardon Maple Festival is Saturday, April 23, 2016. The Five Points Chapter attended the event last year. It as an enjoyable time, so plans have been formulated to attend this year as well.

The winners of the monthly 50/50 raffle were Al and Lois English, who generously donated their share of the winnings back to the club treasury.

New business involved club plans to purchase Five Points decals for the members. The logo will be similar to the radiator badges purchased several years ago. The next meeting will be Saturday, May 14, 2016 at the Four Star Restaurant in Cortland, Ohio at 9 A.M.

On Saturday, May 7, 2016, there will be an auction of Model A cars and parts. The location is 16832 Chardon Windsor Road, Huntsburg, Ohio. Owner - Don Hibler.

Announcements

If anyone has information on how to trace a Model A identification number (same as the motor number) back through previous owners to the original sale by the dealer, please send me the information so I can publish it in the Quail. I believe this would be of interest to a number of members.

If you have information concerning a meet that you would like posted to the Penn-Ohio website, please email it to: info@modelaclub.com. The webmaster is the only one that can set anything into the website and I have no access to post your items. The only items I need emailed to me are items to be in the Quail. Thank you.

STARTERS • ALTERNATORS • GENERATORS

For Sale: Model A Tudor. 20 year old restoration, has newer 6V alternator, new battery, new intake & exhaust manifolds, LED turn signals, tires have maybe 300 miles on them. For Sale: 1931 (standard black) Tudor driving Model "A" for sale. Motor was rebuilt 8000 miles ago and insert bearings were installed. The car has an electronic ignition system, an emergency shutoff on the electrical system and when you turn the key off, it automatically shuts off the gas. It has a touring cam bored out 40 over, an S10, 5 speed transmission (the trailing arm, which can bend on this transmission I had engineered beefed up to take care of that problem. However, I have not installed it yet but it comes with the car.) The original "A" transmission comes with the car. For our comfort in touring with this car, I had installed 16" radial tires. The front axle has been bent so the wheels are straight up and down to improve steering and handling. New brakes were installed 2000 miles ago and there are cast iron drums on the front axle only. It has a complete 12 volt system with a CB radio installed over the windshield. It comes with a wolf whistle and an exhaust whistle. Included with the car is a large selection of parts: (3) 16" rims and (2) 19" rims (the 19" rims have Firestone blackwall tires on them). This is a traveling car. It has been from Toledo, OH to Maine and back and from Toledo to Mackinaw and back. It has also been driven to Key West from Lake Wales, Fl and back. This is a driving car not a show car. The condition of the car on a scale of 1 to 10 is about a 7. We are also offering as a package deal an enclosed trailer that we used to haul the "A" to Florida and back. It is a 2006, 24 foot trailer in fair condition. In the front of the trailer is a work bench and plenty of cabinet space for storing things. Also included, is the equalizer trailer hitch. Contact Jerry Hergenreder at 419-878-0969.
