STEERING COLUMN

Hello friends! I can't tell you how happy I am that driving season is here! Just this morning as we were getting ready for work, we heard the familiar sound of Dad's train whistle on the Sedan going down the street. Summer is around the corner! This month we have the Spring Banquet hosted by Tri County. I hope to see many friends there! A big thank you to our wonderful Editor Diana Stewart for having our new 2019 Roster/Bylaws books made for all our members. This was a big job and we are lucky to have her! Also thank you to Copus Hill Chapter for inviting Julie and I to your March chapter meeting. We had a great time. This chapter is made up of some of the funniest, welcoming people in Penn Ohio! Some of the chapters have been emailing Julie their chapter newsletters. We really enjoy reading them. If your chapter writes up a newsletter and you would like to send it to us, we would like that very much. Please send it to Julie's email: secretary@modelclub.com She checks her email far more often than I do!! We are excited to hear that our members, Rick Greene, Von Wolfe, Andrew and Diane Greene, and Dan and Deb Nofziger will be competing in the Great Race again this year! Can't wait to hear all about it! Start tuning up those "A's" everyone, we'll see you in May!

Time has really flown by. I can't believe I am already writing my last Steering Column. It has been a true honor to be the director of this club. Penn Ohio has been a part of my life for as long as I can remember. Going to Penn Ohio meets is one of my all-time favorite things to do, and not just because I love driving the "A". The members of this club are what makes our meets so wonderful. I truly enjoy spending time with all of you. I have known some of you for a long time and others I have had the pleasure of getting to know better these last two years. Thank you all for making this club so wonderful to be in. I would like to say a big thank you to our now two-time director, Von Wolfe. Saying that Von is dedicated to this club is an understatement. I have been lucky to know Von for a long time and I am sure glad that I do because he has helped me countless times. Von, you are a friend to all, and this club could not have a better director....again!

Now I would like to take this time to say that if you have ever thought about becoming a director of Penn Ohio, you should stop thinking about it and DO IT!! If you are like me and worried that you won't do a good job or if you are literally like everyone in the world and nervous to speak in front of people, you won't be worried about that for long! This club has been so supportive and kind to me and they will be supportive of you too, because that's the kind of people we are. Also, it's pretty awesome to be able to say you are a past director of Penn Ohio...think about it!!!

I would like to thank our Editor, Diana Stewart, for taking on the job of printing our 2019 Roster/Bylaws booklets and for always putting together a wonderful Quail for us to enjoy. We appreciate all you do, Diana!

I would like to thank our Treasurer, Marlys Hildebrandt, for keeping our finances in order and always sending us the things we request promptly.

I would also like to thank our webmasters, Jeff and Valery Johnson for keeping our website going and getting our new members connected to the website.

Last but not least, I would like to thank my lovely wife, Julie, for being such a wonderful secretary. We appreciate you more than you know.

Our next meet will be July 21st hosted by the Keystone Chapter. I hope to see many friends there!

Matt

NOTES FROM THE EDITOR'S DESK

PLEASE NOTE....beginning May Issue, I'm requesting all articles to be submitted by the **1st of each month** to allow me more flexibility for preparing the issues and still allow Gary and I to travel. Anything not received by the first will put into the next month's issue. Thank you!

The 2019 Membership Roster/Bylaws have been published and will be distributed at the Spring Banquet. All extra copies will be given to Julie Barker, Secretary. Julie will also be mailing the Rosters to any Non-Affiliates who do not attend the banquet.

Penn Ohio Members will return to Great Race

After a very successful rookie entry in the 2018 Great Race from Buffalo, NY to Halifax, NS, the "Bucketlist Motorsports Team" will compete in the 2019 Great Race from Riverside, CA to Tacoma, WA in June as "Team Snyder's" having secured a sponsorship from Snyder's Antique Auto Parts.

Team drivers will be Rick Greene and Van Wolfe, while team navigators will be Andrew Greene and Diane Greene. Team support members will be Deb and Dan Nufziger.

Final results of 2018 Great Race had car #73 finishing 59th overall (117 total entries). While our the car had a fresh motor, there were times when more torque was need to maintain assigned speeds up a hill. So modifications were made this winter including a Riley Two-port Overhead Valve conversion and Burns single downdraft manifold with Stromberg 97 carb. Electric fuel pump and pressure regulator as well as electronic ignition was also added.

The Great Race starts June 22 and ends June 30

PENN OHIO CHAPTER NEWS

FIVE POINTS CORRESPONDENT: Brian Revak

Saturday, April 13th, Five Points Chapter gathered at Davidsons restaurant for our meeting... 40 people attended and 13 Model A's were driven. We all ate well and had our meeting that covered the busy month of May. After our meeting we took a ride out to Snyder's Antique Auto and toured the personal car collection and new storage facility of Don Snyder III. What an amazing facility and vehicles, everything from modern day, muscle, to antiques!

May will be busy for Five Points. Hopefully the weather will cooperate 3 weekends for us?!?!?
May 11th, we will meet at Davidsons again and after that we will take a trip to view the collection of John Kufleitner.

Sunday, May 19th, will be the Spring Banquet hosted by Tri County in Massillon.

Then, Pat Stafford is planning a 1-tank trip out through western PA for Saturday, May 25th.

Five Points continued:

Geauga County Maple Festival was held on the weekend of April 27th. Five Points has a ritual of traveling north to Chardon, Ohio for that festival's parade. We had a caravan of 9 Model A's heading North on a cool windy morning. Once arriving, we sat down to warm up with pancakes, sausage and coffee. After warming up and filling up, we braved the chilly wind and explored the festival, lumberjack competitions, and shopping. The parade started at 3 and it had finally warmed up some! After the hour long parade, it was time to head for home.

**MOHICAN
CORRESPONDENT:
Betty Smith**

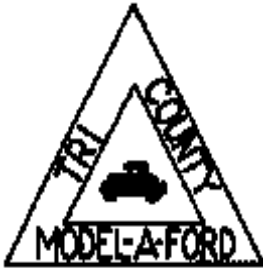

Our meeting was Saturday, April 13. We had two destinations. The first stop was at the Toy and Hobby Museum. This is a collection of toys and related items. Our Chapter president, Dave Anderson, had made the arrangements for this. The group had a tour guide, a minor plus that makes the trip much more meaningful.

The second destination was Dravenstotts Restaurant -- the restaurant and museum are both located in Orrville. Members attending included: Dave & Donna Anderson, Craig & Carolyn Curtis, Raymond & Natalie Fahrni plus daughter, Duane Schie, Paul & Marty Starkey plus daughter, Norm & Linda Ream, Eric & Carla Myers, Jim & Liz Fin, Ginnie Herrmann and me (Betty Smith). We ordered from the menu - all was good!

Dave opened the business meeting. Donna read the minutes from March and gave the

Mohican continued:

Treasurer's report. Dave explained the vote result for the proposal at the Penn-Ohio Executive Board Meeting. The 50/50 was won by Norm. The meeting was hosted by Ginnie and Betty with Dave's help.

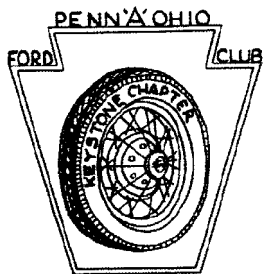

TRI COUNTY CORRESPONDENT: Jan Baker

The Tri County Model A Ford Club met on Sunday, May 5, 2019 at 2 pm at Unusual Junction on US Route 36, West Lafayette, Ohio. It was a unique place to eat and hold our monthly meeting as well as a pleasant drive to arrive there. We had a wonderful turn-out --twenty members and one guest, Lily Marburger, who was home from college but not for long. She will be leaving soon for a month-long mission trip to Africa. President Roger Baker opened the meeting at roughly 3 pm and thanked Leonard and Bonnie for arranging the venue. Roger noted the month's birthdays: Gordon Hawk and himself. Also, Mel and Gloria Allen will celebrate their 55th anniversary on May 29th.

Jan Baker read the minutes from the April meeting and Diana Stewart presented the Treasurer's report....both were approved as read.

In Old Business, Roger said that while you heard in the minutes that the Penn-Ohio proposal to offer chapters \$1000 for events did **not** pass by one vote, when the leaders went back to the bylaws they learned that a simple majority was needed not a 2/3 majority for passage. Thus, chapters will have extra money to spend to put on events for Penn-Ohio. This will not affect us, however, for our upcoming Spring Banquet.

In New Business, Leonard won the 50/50 but donated the money back to the chapter. Hawks distributed flyers for the June 9th meeting to begin at the Flipside Grill in Magnolia, continuing to the East Sparta Historical Center, to Fry Family Park and on to Taggart's beginning at 1:30 on June 9th.

KEYSTONE CORRESPONDENT: Carol Mengel

The March meeting of the Keystone Chapter was held at Cannon's Chop House in Meadville hosted by Jim and Sandy Hilwig. Our President and Vice President are attending a meeting to vote on the proposal to give each chapter hosting a meet \$1000 for expenses. We had further discussion on the upcoming July meet. The June meeting was moved to the first Sunday as many members are involved in the AACA show in Waterford on the second Sunday. Our group and all Model A's are invited.

The April meeting was held at Hoss's in Meadville hosted by Ed and Carol Mengel. More plans were made for the July meet.

**RUBBER CITY
CORRESPONDENT:
Bruce Rollings**

Hey, April!! March Madness even finished in April, all those games past my bedtime, fearless forecast bracket close at hand, watching sure-fire picks demise -- Ah well, Texas Western in 1966 remains the only team from Texas to win the NCAA Mens' Tourney! How's that for trivia?

Seguing to something of interest and importance to Model A'ers, had the opportunity to minimally contribute to the first running of a new engine in a Model A --reminded me of the Wright Brothers, in a way. I was assistant gauge holder and tool-handler to ace mechanics John Menches and Gary Martin for the first firing of Gary's new motor! Granted, it had been run-in by the supplier prior to delivery, but that's not the same as the 1st fire-up in the car! Any electric system with more than 2 wires is bewildering to me, and Gary's car has several advanced systems beyond the standard Model A 5 wire harness. After system checks and the addition of mystery wire, cranking ensued, and -- VOILA! (CARAMBA in Mexico)--ignition and smooth running--really neat!

That alone will be enough to get us through the well documented adage "It always snows in April", but we're well on our way to "A" time. We've got some good activities coming up, and are already planning for hosting Penn-Ohio at Wingfoot Lake Park in August-- Watch for it!

It's getting a little late, and I've got to dispose of my NCAA tourney brackets (Men and Women), comforted only by the fact that my string of non-winner picks remains intact!! Hope to get the relics (truck and me) out to see some of you tourers!!

WELL ALL RIGHT!! Thanks to all concerned for passing the Chapter meet funding proposal In line with that, please reserve the days for August 17&18 on your must-do calendar for the Rubber City hosted Wingfoot Lake Family Meet! Planning is underway for an option for the afternoon of Saturday, Aug. 17, and we've reserved the big picnic shelter at Wingfoot Lake State Park for a Family Friendly Penn-Ohio meet on Sunday the 18th!

Wingfoot Lake Park is part of a property Goodyear purchased in 1916 - they needed an open area with lots of water for Blimp and Balloon construction. After WW II the area on the north side of the lake was developed into a Park for Goodyear employees & their families. It has large open and wooded areas, several picnic pavilions with barbecue pits, kids' playgrounds, tennis/volleyball/basketball courts, softball fields, miniature and driving range golf, and of course the lake with its 400-acre plus boating and fishing activities. The current 120 acre Park became Wingfoot Lake State Park in 2009.

We're working out the details now, but are aiming for a family inclusive, kids welcome picnic in the park atmosphere with games for the kids and kids at heart! Looks like lunch is gonna be \$12 for adults, kids 12 & under free! There'll also be the prize raffles and meeting as usual. We'll have the details and sign-up info in the June Quail. Hope to see a lot of you there!

In other Rubber City news, thanks to John & Mary Menches for hosting the April meeting with the Welshfield Inn history presentation and the Harriet Tubman/Underground Railroad Quilt program. And thanks also to Lynda Baker for providing the raffle prizes!

We'll be participating in several area Memorial Day Parades..it's time to air 'em up and air 'em out! Here's wishing all you Moms a belated Happy Mother's Day, and hoping for some timely breaks in the rain cycle for our outdoor activities!

**FLYING QUAIL
CORRESPONDENT:
Susan Sandrock**

Following lunch at the American Legion in Elmore where they were holding a fish fry to raise money for the Elmore fireworks (to be held the Sunday before Labor Day) the Flying Quail met at the Bench's greenhouse on Sunday, April 14th.

Attending were 18 members and 1 Model A in the parking lot on a windy, rainy, 42 degree day. Great to have some of the snowbirds in attendance who have returned north.

President Howard McNish called the meeting to order. No changes in our treasury.

Anniversaries this month were Don and Janice Bench, 53 years and Larry and Luella Browneller, 64 years. It was reported that Don Rosebrook completed his chemo with positive results.

We are in need of a host for the May meeting...usually changing to a Saturday meeting due to Mother's Day.

Steve and Alice Bower (back from winter in Florida) gave us a preview of their June meeting plans which will be in the Bucyrus area.

September Penn Ohio plans were discussed and sign up sheets for committees will be at the next meeting. (September will be here before we know it.)

Howard and Bill Pahl gave us an overview of the recent board meeting and vote results.

The meeting was adjourned and the activity continued with the girls making an herb "make n take" upcycle. (I have been using mine currently sitting in my kitchen window) with instruction by Jill Bench.

The boys were given a greenhouse tour by Don taking them through planting process. There was warmth and lovely color throughout the buildings in spite of the outside weather. Of course, the day ended with dessert.....thanks Don & Janice for the day. Hoping for better A driving weather next month!

**NEO
CORRESPONDENT:
Pat Proch**

On January 13th, NEO met at a new facility, the Lake County United Way headquarters in Mentor, Ohio. This meeting place is provided to us at no cost and is spacious and comfortable with excellent restroom facilities.

There was a special pot luck consisting of appetizers and desserts enjoyed before the regular meeting.

At the February 10th meeting, the Pledge to the Flag was recited in front of the flag donated by NEO to the United Way facility. Joe Mazzone purchased the flat, Mary Hosta donated a brake drum to be used as the stand, and Jim Ulle put cement in the center of the drum to support the flag. The flag will stand in the United Way facility and there for the use of NEO. An NEO name tag was installed on the flag stanchion.

NEO continued:

After the meeting, sixteen members went on to the Market Street Family Restaurant in Mentor.

The March meeting was held in the United Way Headquarters in Mentor. Marty Hosta entertained and enlightened everyone about the number of baffles in a Model A gas tank. Marty had a gas tank there so everyone could see the baffles.

Jim Ulle and Ron Sieloff presented a safety seminar on fire extinguishers; how to use one, the importance of carrying one in your Model A, the need for one in your home, and how to care for one.

After the meeting, fourteen members went to Fiji's Buffet in Mentor. This restaurant features Chinese and American food, something for everyone and it is always fresh.

In April, the meeting was held at the Mentor Public Library. Many activities for May and June were highlighted by Linda Thirion as well as by members hosting some events. Jim Krager told everyone where to line up for the Geauga Maple Festival and Parade on Saturday, April 27.

The next meeting will be one week earlier on Sunday, May 5, due to Mother's Day on the second Sunday. After that meeting the "Easter" Egg Hunt, hosted by the Kragers, Ulles, Witts, and Dynes, will take place at the homes of the Ulle's, Dyne's, and Witt's. Those participating will drive their Model A's from house to house. Afterwards, everyone will travel to the Dutch Country Restaurant in Middlefield for dinner where the winners of the Egg Hunt will be announced.

The following Saturday, May 11th, as in past years members will take the Geauga Spring Drive It tour, preferably in their Model A.

On June 5th, Laura Gezann has arranged for NEO members to enjoy an Amish Dinner featuring chicken, roast beef and other favorite dishes. The price of the dinner will be \$20 per person.

After the conclusion of the April meeting, twenty-four members enjoyed an "Afternoon at the Movies" featuring the 1973 movie "The Sting" hosted by Keren Brolund and Laura Gezann. Karen and Laura provided licorice, candy, and beverages. Gene Brolund popped and buttered the popcorn that was served in small bags. It was a fun afternoon.

Thanks to Sandy Moyer for the assistance with the NEO News.

COPUS HILL CORRESPONDENT: Mary Jane Saylor

Carol and Blaine Davis assembled 6 A's and three moderns at Walmart near 71 on Saturday, April 27 for our annual "get 'em out and see if they'll run" club meet. Good turnout for a day that was forecast rain...our morning was sunshiny and clear and our drive toward Loudonville was outstandingly SPRING!!! Daffodils, tulips, baby animals, dandelion fields and smells of all things earthly!! Great day to be alive!!!! We had two "newbies" with us today in their A's...Chuck Stiffler and Laura in his coupe and Steve and Natalie Saylor in his tudor....and they did just fine!! We first stopped in Loudonville at the Cleo Redd Fisher Museum which is full of nicely displayed memorabilia from the region....Flexible Bus Company, Charles Kettering (can you say National Cash Register) and Malabar Farm to mention a couple of the displays....Don Cover got to sit on a real World War I machine gun thing after he put on the helmet.....interesting place for sure.

Copus Hill continued:

And then, we were off around the corner to the Ohio Theatre....a 1900 era theatre that has been refurbished and is now a mecca for activities almost every day of the week from movies on the big screen to play productions by local thespian groups. Our guide was excellent and we got to see backstage and walk up to the third balcony.....beautiful indeed and glad to see it being saved!!! Then, down toward Mohican and lunch at the Trails End Restaurant which was busy even without the canoe liveries open yet....good food and lots of joke telling and tall tales told!!!! Then, down to Mount Vernon for the required ice cream stop before we headed home.....as a couple of sprinkles fell on the windows, we thanked the Davis' for a great way to start the driving season. (note from editor.....Sorry, Mary Jane....couldn't get the pictures to work correctly and they were really nice too!)

RIDGE RUNNERS CORRESPONDENT: Unknown

On March 16th, seventeen Ridge Runners met for their monthly meeting at Cricket Song Cafe near Clarion, PA. This restaurant is extremely interesting because most of the chairs, tables, hanging ceiling lights, lamps, wall pictures, and other objects have price tags on them because all of them may be purchased. Most of the "for sale" decor could be classified as vintage, so the atmosphere is far from what one would expect in the "usual" restaurant. In fact, a visit there is similar to a visit to an estate auction without the hassle of having to bid. The menu is somewhat limited because the food is carefully prepared by the cafe's chef.

The group enjoyed the lunch dishes while discussing summer plans for our club and future spring meetings. Since it was St. Patrick's Day weekend, green attire was visible around the table. We all learned the one thing we should NEVER do if we catch a leprechaun...we should never take our eyes off the leprechaun because he'll vanish and we'll never get his treasure.

On April 6th, the Ridge Runners were treated to brunch at the home of Ray and Bonnie Cupples. The morning was bright and sunny, but the air was crisp. We ate inside and had a variety of breakfast and lunch dishes, plus hot dogs grilled outside on the gas grill. Seventeen members enjoyed the crumptious food and talked about ways to interest new members into our group. We enjoyed the time both inside and outside the beautiful house. Spring is in the air, and summer picnics and car shows were discussed. Jokes were shared and everyone left with a "good attitude" as one members likes to say.

DRIVE THROUGH TIME...

WITH PEACE OF MIND

Proud to
support the
Penn-Ohio
“A” Ford Club!

Get to know J.C. Taylor. Whether you're new to us or an old friend, we welcome you to discover what so many people already have.

We've been insuring collector vehicles for nearly fifty years. We understand the unique needs of our customers. That's why we design something specifically for you, including Agreed Value Coverage on every policy.

We have been on some great journeys too. Let us help you to drive through time, with peace of mind.
