Notes from the Editor's Desk

The holiday season is upon. I don't think I am ready for all of this yet. Not looking forward to the cold and snow.

I recently traveled with my siblings to England, Wales, Scotland and Ireland. It was very beautiful country and the weather was similar to ours. Some of their phrasing was definitely different. They don't have detours - they have "Diversions."

Roadside rests are called "lay-bys." We were told that if you drink a Guinness a day, you could live to be 100. Too bad I can't stand the taste of beer.

I would like to bring up a topic that has dissapointed me over the last year or two. The hosting chapters are not sending in articles to highlight their meet. Were these chapters unhappy with how the meet turned out? You would think that they would like to point out what a good time everyone that attended had. A lot of planning goes into these meets and it's a shame to not let everyone know what went on at the meet.

To all correspondents: if you have email, please email your chapter news. Please email to Editor@modelaclub.com. I appreciate those who use this method. If you don't know how to attach pictures, you can send pictures separately in the mail and I will scan them.

Correspondent deadlines:

January 5	Jan-Feb Issue
March 5	Mar-Apr Issu

Director: Terry Kempke

Well the end of another Model A driving season. It has been a great year. All of our Penn Ohio events have been great. Penn Ohio is alive and well. All of our members should take credit for this. I would like to wish everyone Happy Thanksgiving, Merry Christmas and a Happy New Year. Hope to see you all at the Spring Banquet in Medina, Ohio.

Terry Kempke

Penn-Ohio Membership Renewal

Reminder: Membership dues are to be into the Penn-Ohio Model A Ford Club Secretary by December 31st to maintain continuous membership. If you are non-affiliated, you can obtain your membership renewal card from Debbie Kempke. Her contact information is listed under the officers of the club on page 3.

2016 Penn-Ohio Back Roads Tour

Come join us for the 2016 Penn-Ohio Tour. We will be hub-touring out of Tiffin, Ohio from June 19th (registration) through June 24th. Each room in the newly remodeled Hampton Inn will have a refrigerator and a microwave. The final banquet on the 24th will be at Camden Falls, which is adjacent to the Hampton Inn. Highlights of the tour will be a dinner cruise, Wilson Football Factory and a visit to a winery. Other factory tours are being planned. **Closed toed shoes are required for the factory tours, no sandals or flip flops please.** We will be touring the countryside using mostly back roads. The cost will be \$1,200.00 based upon double occupancy. Singles and families will be billed accordingly.

Looking forward to a great time,
Diane and Rick Greene

Fall Banquet

Reported by Barry Sandrock

When the Flying Quail Chapter planned the Fall Banquet we hoped for cool crisp weather and beautiful fall foliage. The 2015 Fall Banquet came complete with snow for the folks coming from Pennsylvania and NE Ohio, a homecoming football weekend and a complete bridge replacement delayed from the previous weekend and all the detours associated with it.

Despite everything, twenty three Model A's registered at the Stone Oak Golf Club in Bowling Green. Our lovely room had tables decorated with beautiful mums (not poinsettias) that were destined to be future raffle prizes.

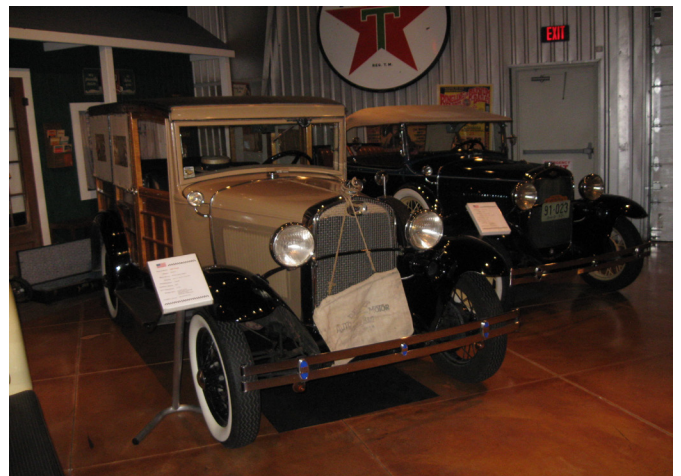

A group of individuals motored over to Snook's Dream Car Museum for a tour prior to our meal. Ninety-plus buffet meals were served followed by some delicious pies for dessert.

President Terry Kempke presided over our brief business meeting and read the recipients of all the membership awards. Congratulations to all who received awards.

After the meeting, we moved on to the Chinese raffle with tables filled with a large variety of baskets and items. There was some serious competition for some items. (I myself made my typical donation....no luck for me.) After the 50/50 raffle was announced, we all parted ways to complete the 2015 driving season. Hope everyone who attended enjoyed themselves!

Penn-Ohio Chapter News

Five Points

Correspondents:

Donna Green & Pete November

(Pete): The Five Points Model "A" Club caravanned to The Great Trail Festival in Malvern, Ohio, Sunday, September 5, 2015 on a beautiful, sunny day. Our seventy mile trip consisted of eight A's and one modern car meeting at Circle Restaurant in Deerfield, Rt. 224-225 at 10:00 a.m. Participating club members were Donna and Gene Green (and Donna's sister Kathy), Jean and Bob Evans, Jim Stafford, Gerry and Ken Stafford, Martha and Don Urchek, Ann and Tom Olsen, Judy and George Thorn, and Natalie and Jerry Dichant. We planned to meet Kathy and Von Wolfe at 11:00 am. in Minerva, Ohio.

It was more or less a straight shot south after we turned south onto Route 225 to Malvern. We got separated by some traffic lights in Alliance, but the talented drivers behind the Model "A" steering wheels soon caught up. I was in the lead car and as I looked back in my rear view mirror, it was a beautiful sight seeing all the "A's" going over the whoop-de-do's on the country roads south of Alliance. We met Von and Kathy in Minerva and as we traveled through Minerva, we got separated once again by traffic lights. We all stayed on Rt. 183 into Malvern, then turned south on Rt. 43. I wasn't sure if we were still together, so I got on the CB and told Von I was going to slow down, so the rest of the caravan could catch up. Von replied (in his Texas drawl), "Don't worry Pete, they are right behind me."

When we pulled onto the road to the main gate of the Fest, we drove past the huge field of parked cars and were enthusiastically greeted by the CEO of the Fest. He parked us in a semi-circle at the entrance gate, on display so all the Fest patrons could enjoy looking at the "old cars." He then presented us all with a festival guide and graciously escorted us through the entrance gate, with his compliments. We enjoyed all the displays, entertainment, and food, especially the homemade ice cream! The Five Points Model A Club sincerely thanks CEO Gary for his hospitality.

The trip home was very warm, as the A's are not equipped with air conditioning, but who cares? They are so much fun to drive!

(Donna): We had our meeting at the 4-Star Restaurant in Cortland on October 11, 2015. There were over 40 members present. A great turnout as some of our members were in Hershey, Pennsylvania, for the swap meet. President Ray, called the meeting to order. We discussed the fall banquet. Some members are going for the weekend and some are driving the day of the meet. It is time to renew our memberships to Penn Ohio. Send your membership card and money to Von Wolfe by December 1, 2015. Don and Martha Urchek announced they are having a soup and salad luncheon on December 12, 2015 for Five Points members. This is always a lot of fun. Pete November is getting a group together to drive in the Veterans Day parade on November 11th. The group will meet at Perkins Park at 11:30 AM. Roger Yost, our historian took us back to 1959. The Quail cost three cents to mail. A 1931 Ford Sedan for sale for \$425.00.

Our next meeting will be on November 14, 2015 at the 4-Star Restaurant. Have a great month.

**Mohican
Correspondents:
Betty Smith**

The Smiths were in charge of our meeting on Saturday, October 10th. We met, again, in Orrville but this time at Dravenstott's Restaurant. It had been many years since we last had a chapter meeting there because of their policy. All worked out very nicely. Attending were the following: Clyde and Ruth Mayberry, Luain Graff, Duane Schie and Margaret, the Starkey family, Bill and Pat McGill, Raymond and Natalie Farni, Dave and Donna Anderson and the Smiths. We ordered from the menu and all was good.

President Dave called the business meeting to order. Minutes were read and the Treasurer's report was given by Donna. Dave reminded us of the upcoming Penn-Ohio Fall Banquet. Membership cards were handed out with most being filled out and returned immediately. Buster explained the significance of the glasses used for favors. He won the 50/50. Natalie won the "extra" drawing but Ruth ended up with it. We were also reminded of the Fall Executive Board Meeting.

Several of our members will be leaving for Florida or Arizona for the winter—we wished them a safe trip and a healthy winter. We look forward to their return next year.

**Rubber City
Correspondent:
Bruce Rollings**

Nice deal—summer extending into November! I gave "*the relic*" her semi-annual cleaner/wax job, and am rewarding her with a set of shock absorbers, just in time for winter hibernation! The Rubber Citians had a great weekend trip to West Virginia, hosted by John & Mary Menches in October, including a stop at a huge vintage mine shovel—looks like it could hold at least 3 Model A's. That was followed up by a Halloween day trip to the Age Of Steam Roundhouse, preceded by lunch at Miller's Kitchen and a stop at the Baltic Mill and Winery—nice trip! This one was organized by Les & Lois Lucas. Thanks!

Our election meeting will be November 22 at Menches Restaurant—note the 3:00 starting time, hosted by Sparky and Lynda Baker.

Then November 28 is the downtown Akron Santa Parade at 11:00- if weather permits we'll participate and proceed to the New Era Café on East Market Street for lunch.

We'll finish 2015 with the annual Rubber City Christmas Party & Dinner at Menches on December 13 at 4:00, hosted by Les & Lois Lucas.

Lastly, welcome to new members Tim and Karen Wasson from Boardman, and best wishes to all for a great late fall and winter season!

NEO
Correspondent
Pat Proch

NEO has some sad news to announce: Peggy Geisman led her last Model A tour on September 28th. Peggy passed away on September 21st after an eight-year battle with health issues. She was buried from St. Patrick's Church in Thompson and burial was in the Maple Grove Cemetery in Thompson. Peggy and Jim were very active members coordinating many tours and NEO hosted Penn-Ohio events. Our NEO members who participated in Peggy's last tour were the Chris and Nancy Wolf, Jeff Thirion, Tony and June Grgurich, Ken and Sharon Keener, Tom Bradbury, Frank and Pat Proch, Tom and Gerry Reed, Don Lynch, Rich Walters, and Marty Hosta driving the Classic Ford Model A.

Activities are winding down now that it is now the middle of fall. NEO participated in the Geneva Grape Festival Parade in September. The eleven cars representing NEO were driven by Prochs, Lynches, Schreibers, Kragers, Grguriches, Classic Ford driven by Bob Ramie, Grofs, Wolfs, Keeners, Nells, and Mike (grandson of the late member Bob Janezcic). NEO took the first place award of a trophy and a check for \$50. The members agreed to give the trophy to Classic Ford Madison to display in their showroom.

The next day, Sunday, September 27, the Lake County Historical Society held their annual Clam Bake. The following NEO members were there to display their cars and provide assistance: Jim Krager, Teresa and Paul Stropkey, Tom Bradbury, Pat and Frank Proch, Bill Grof, Dick Muny, and Marty Hosta. The Clam Bake was excellent, especially the Clam Chowder.

Our Poker Run was a success. We had some wonderful donations for the auction and attendees seemed to enjoy the boxed lunch. Buster Smith was third place in the Poker Run and was kind enough to donate the prize back to NEO.

The Classic Ford effort is now history. The car was showroom ready on the tenth of September. The NEO mechanics consisted of Rich Walters, Bill Grof, Marty Hosta, Ken Keener, Al Gezann, and Tom Bradbury. These men worked from 2 hours to 6 hours each Thursday beginning on April 2nd through September 10th. Several Thursdays were missed when they were waiting for parts or the new engine. Congratulations to these fine representatives of NEO and Penn-Ohio. Classic Ford Madison made a nice donation to NEO—thanks to their efforts.

October 10th was our last driving meeting, which was held in the picnic pavilion in Concord. An important vote was taken to approve the Croatian Hall in Eastlake for our 50th anniversary celebration during the Penn-Ohio Fall Banquet in October 2016.

Following the meeting the Thirions led a parade of members to the Charlane Farm in Southington, Ohio. The group toured Charles Plot's Ferguson Tractor Museum and made some purchases in the meat market. Afterward, we traveled to JD's Post House in Parkman. A nice end to the driving season.

Cranksters
Correspondant:
Nancy Haake

Six Model "A's" and one modern car left Samosky's in Valley City for a scenic drive to Chippewa Lake to join our hosts, Don and Sharon Workman at their cottage for our annual picnic on Sunday, August

2nd. Our weather could not have been more perfect for a leisurely day at the lake. Five more “A’s” and one modern car joined us for a great gathering of the Cranksters. Everyone brought something to share so we had a lot of great food as well as company for the event.

Saturday, August 22nd, found the Cranksters on their way to Marshallville Historic Days Parade. We had conflicting events for the last several years and been unable to attend so they were glad to see our cars once again in their parade and car show afterward. One of our cars even won a plaque for the best presentation of an antique car in the parade. Of course we ate at the many places available around the town. The rummage sale going on at one of the churches is always a great draw for us and many bargains were discovered!

Our annual overnight on September 12th and 13th began at McDonald’s in Brunswick for an early start to the weekend. In spite of the light rain coming down on us we made great time on 303 with all of its hills and valleys. In Ravenna, we stopped at McDonald’s

for a break and to walk around and stretch our legs. Then we headed to Salem and into Leetonia where the coke ovens reside. The Leetonia Iron and Coal Company constructed the complex of 200 Beehive Coke Ovens around 1866, later named the Cherry Valley Iron Works. The beehive coke ovens were built to turn coal into coke by removing the impurities from the coal. The coke than was used as fuel for the furnaces that produced iron and steel. It stopped operations in the early 1930’s at the height of the Great Depression. The rain had stopped when we got to the ovens and we were able to walk around and inspect the various sizes of the ovens that have begun to fall down over the years. There must have been horrendous amounts of air pollution from the entire process of making the coke—long before the EPA! We then headed back to Salem where we visited the Charles E. Burchfield Homestead—a well-known watercolor artist in the early 1900’s who lived in Salem for part of his life. By then, the rain was coming down harder so it was nice to be inside enjoying a drier outing. We had a tour of the house and heard about his paintings by a very dedicated docent. After a little quiet time at the hotel, it was out to dinner at Annabell’s. With the bridge out just near the restaurant, we had quite a detour to get there but made it all intact. Our dinner was at one long table and we proved to be quite the boisterous group but luckily were not asked to leave! Back at the hotel the game Apples to Apples come out as we gathered around the tables we had pushed together in the lobby. It proved to be a high-spirited game with one member having difficulty counting her cards. Answers to the questions provoked a lot of laughter and discussion as to their pertinence to the question. But the “judge” always had the final say—luckily that position changed with each hand. Too soon it was time to go to bed to recover from our busy day. Breakfast at the hotel was good and we all had our fill before heading off to the Salem Historical Museum not too far away. We had a guided tour of the buildings and learned a lot about the history of Salem. When we finished up in the two buildings, it was time to get back on the road and head west and home. As we came back into Ravenna Bob Evans called us in for lunch before we got back on the road again. It was another fun filled overnight with more memories made with the Cranksters!

Sunday, September 27th was our time to show off our cars at the Strongsville Historical Society Fall Festival. In addition to our cars there were many attractions in the village that we could enjoy. Cookies baked over an open fire, quilting, basket weaving, rug hooking as well as the well-known cow pie lottery kept us busy. At the end of our time at the village, our cars drove through the village as we left. A beautiful fall day for all.

Saturday, October 3rd, proved to be a cold and rainy day for the Avon Lake Homecoming Parade. The Cranksters always help member Judy Kuenzel and her Crimson Crones Red Hat Group by driving them in our cars. We met for donuts, coffee and pastries at the Kuenzels' home before loading the ladies into our cars.

Necklaces donated by another member of the Cranksters were passed out as we drove along the parade route. After the parade wound up, we headed to Perkins for lunch with the Crimson Crones. Another day filled with lots of laughter on everyone's part!

Saturday, October 10th, was our Cool Down tour with Chili Lunch following our drive. Seven Model "A's," 1 Roadster, a vintage motorcycle and 2 modern cars were part of the trip. We drove to Szalay's Farm Market in the Cuyahoga Valley National Park where we enjoyed hot cider, picking out pumpkins and other fall goodies. We then headed back to Plum Creek Cabin for our lunch of Chili. Nearly every spoonful of it disappeared into hungry Cranksters. The driving season comes to an end way too soon!
