It's hard to believe that our season together has come to a close. Thanksgiving is next week and we've already had snow. Not many Model A's are out and about now. Time to start those winter projects. After all, we've got a tour next June!

But, this is a time to stop and reflect and give thanks. Thanks for the memories, thanks for the friends and fellowships our little club has afforded us. It's also a good time to remember our Model A friends who have gone to their reward and won't be with us this holiday season. Penn Ohio had several members pass away this year, it happens every year. While I am saddened to think of these members passing, I am also grateful for the example they set for me and fellow members. That being how to pass on the legacy of and indeed the lifestyle associated with these crazy little cars we all love. That is what I am committed to do. It is my hope that my fellow Penn Ohio members will make a similar commitment to pass on to younger generations the magic that we've found in our association with the Model A Ford. There are many ways we can pass on this legacy. Find yours.

Merry Christmas!

Von and Kathy

## Change in Officers

It was announced at the November Board Meeting that Marlys Hildebrandt has decided to resign as Penn Ohio Treasurer effective December 31, 2019.

John Menches has volunteered to fill the position effective January 1, 2020 as Interim Treasurer until election of officers at the Spring Banquet.

We would like to thank Marlys (and Steve) for the years that they have dedicated to this position and our club....it has been greatly appreciated.

## NOTES FROM THE EDITOR'S DESK

**Two Days of Movie Fun  
in celebration of the anniversary of  
The Shawshank Redemption Movie**

**Penn-Ohio Meet  
September 2019  
Hosted by: Flying Quail Chapter**

Saturday, September 14th found a gathering of Model A's in the parking lot across from the courthouse in Upper Sandusky. Due to security concerns, we were unable to tour the courtroom used in the movie. A short drive took the group to the Mud Church out on the corner of corn and beans for a viewing of the movie, complete with popcorn and beverages. The group from Rubber City arrived a little later so eventually there were 26 A's sitting under gorgeous blue skies (the good weather prayers were answered). A later evening drive to the covered bridge, some Ohio countryside and a tour of the Indian Mill with some history of the area capped off the day.

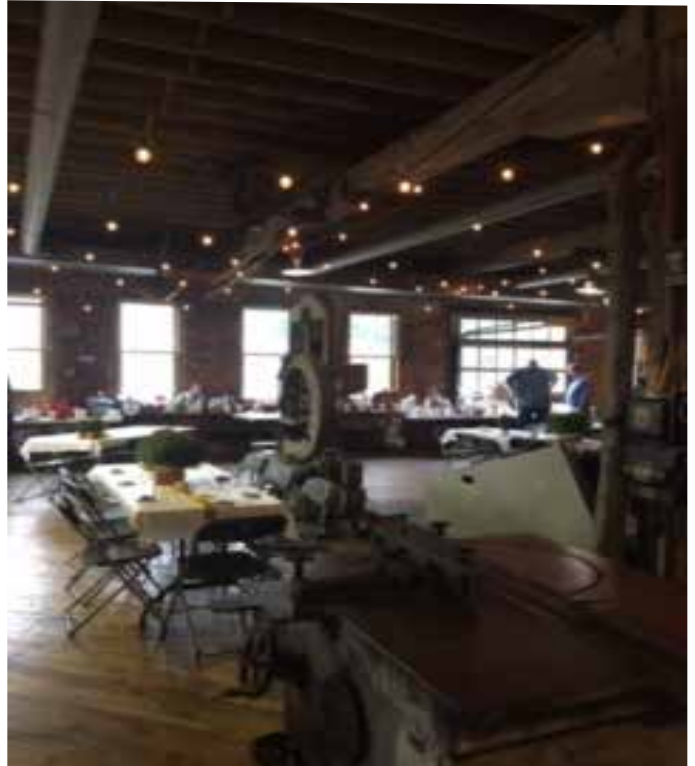

## SEPTEMBER P/O MEET CONTINUED:

Sunday, 35 cars were at the Shawshank Museum Workshop, 89 meals were served. We hope everyone enjoyed the food choices.

The movie ran again on the big screen in the workshop, areas of the building were open to tour. We heard about being an extra in a movie.

Thanks to everyone who attended the two day events, dropped tickets in for the auction items, took a chance at the 50/50 and provided Model A talk and laughter in a unique setting.

Just wonder how many of those handcuffs were used??

## **Penn-Ohio Fall Banquet Hosted by: Five Points Chapter**

October 20, 2019, Five Points Chapter hosted the Fall Banquet at A La Cart Catering in Canfield, Ohio. Thanks to everyone who helped put this together and to all members that attended. There were 42 A's gathered and slightly over 100 dinner reservations!

What started out as a chilly morning turned out to be such a great day. About 9 am the first cars were rolling in! There were some roadster and phaeton fans that were ready to get warmed up after their commute! Matt and Julie Barker made the journey in their freshly completed 29 AA Roadster that just received 500 points at the MARC meet in Detroit!

Inside, there was plenty of coffee and doughnuts to warm up with.... 168 doughnuts to be exact!!! The women were busy putting the centerpieces out and arranging the chinese auction items.

Over 80 items were donated to the auction and the variety was impressive.

The lottery tree was in a separate auction just because its value would be unknown. Someone was hopefully going to end up with a few more dollars than they came with. The

tickets on the tree had a value of \$110 that would hopefully make someone's day.

Outside, the men were gathered around a trailer with an engine as I began to do the engine block flush demo. After this banquet, I learned a few members traveled a long distance to see this while back at home they had some family members in the maternity ward! To be honest, I was worried it would be too cold out and not interesting enough to keep the guys outside!

Before our fabulous lunch, George Washington showed up to speak about his life and the country at the time. While he spoke, he definitely kept it as period cor-

## FALL BANQUET CONTINUED:

interesting, and you could tell he had done his research.

The awards for attendance and years of membership were handed out. Congratulations to those who earned them. I am always impressed to hear the years that members have been in this club. Most are longer than I have been alive!

The last of the day was the Chinese auction. Slightly more than 80 items lined the table. There was definitely something for everyone from crafts to car parts and gift cards.

Thanks again to everyone for the great turnout.

## PENN OHIO CHAPTER NEWS

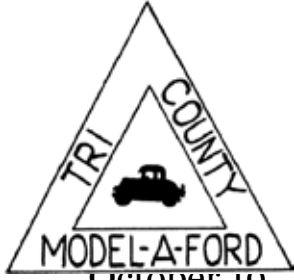

**FIVE POINTS  
CORRESPONDENT:  
Brian Revak**

Five Points met at Bedford Trails on October 12th. This was our final meeting before hosting the Fall Banquet. Pat Stafford talked about the second annual ladies day out. November 16th, they will meet at Dinos Restaurant in North Jackson at 11 am and after lunch, they will head south to The Stone Trough for some shopping. Don and Martha Urcheck handed out the fliers for the Christmas party that they will once again be hosting on December 14th. This will be our December meeting and white elephant gift exchange.

Time flies when you're having fun....it did for sure the day of our Fall banquet!! Hopefully everyone in attendance had as much fun as I did. Months of preparation for hours of fun. Thanks to everyone that attended and made it a success!! The parking lot looked great with 42 Model A's sitting there.

November 9th was our meeting at Bedford Trails. Definitely a big change in our weather....not a single Model A was driven. This was an easy meeting with no big plans to talk about other than the Warren Veterans Day parade and the ladies' day out.

November 11th - 7 A's gathered at Perkins Park for a chilly but dry Veterans parade!

**TRI COUNTY  
CORRESPONDENT:  
Diana Stewart & Jan Baker**

October 19, Tri County members gathered for lunch at the Towpath Tavern in Bolivar, Ohio, hosted by Jeff and Mary Beth Marburger.

Following the meal, we took a mini-tour through the Tuscarawas County countryside and arrived at the Lockport Brewery where owner, Andrew Marburger, son of Jeff and Mary Beth, explained the brewing process and showed us the equipment used.

We then traveled to historic Zoar and the Wetland Park there. At this scenic spot, we saw the remains of the historic Zoar Brewery. We held our business meeting in the lovely pavilion. There were 14 members and 4 guests present. Birthdays and anniversaries were recognized. Our next meeting will be held at the home of Banals near Cadiz, Ohio.

November 9, we gathered at the beautiful country home of Mark and Barb Banal. There were 7 members and 4 guests present.

Tri County has been approached to assist with an International Model T tour that is slated for July 2020 as a hub tour of the Tuscarawas County and surrounding area. The tour master, Tom Strickling, was present to discuss our questions and concerns. He will check with his organization on a few items and see what can be resolved to our satisfaction so we would be comfortable taking on this task. Final decision was tabled until we have our questions answered, although, we did express a desire to help if all works out agreeably.

A delicious covered-dish meal was enjoyed and Barb was kind enough to give the ladies a tour of her festively decorated home.

Our December meeting will be held at Raven's Glen Winery and Restaurant on Sunday, December 8th.

**FLYING QUAIL  
CORRESPONDENT:  
Susan Sandrock**

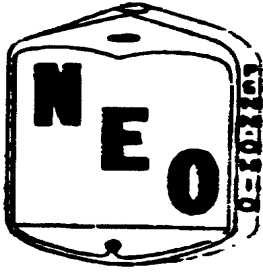

On a slightly overcast September 8th evening, the Flying Quail met at the home of Brad and Connie Bailey in Deshler. The Bailey's as well as the Neal's, the Hartzell and Howard McNish returned just before the group arrived, from the Old Car Festival at Greenfield Village in Dearborn. Brad fired up the grill upon arrival for the burgers and sausage patties. Connie had the sides planned. While the grilling was taking place, everyone brought their denim shirts to have their "prison names" attached for next weekend. The food was delicious and during the ice cream with toppings, President Howard started the business meeting. Jim and Howard went over the details of the two day schedule for the Penn Ohio Meeting September 14-15. Jim found out unfortunately due to security concerns, we will be unable to tour the courthouse. All other arrangements are confirmed. After some good conversation, the evening concluded. Thanks to Brad and Connie for hosting.

The October meeting of the Quail was hosted by Larry and Luella Browneller with the group meeting at the Royal Buffet in Findlay. Six A's were driven to the meeting with fourteen members present. After unlimited trips to the large buffet with a huge selection of choices...and even ice cream, President McNish brought the meeting to order.

They had tucked us away in a large back room which was great for the meeting. There was a recap of our successful Penn Ohio weekend. The weather cooperated, especially on Saturday. A bid of thank you to Jim Snodgrass for presenting the idea of the Shawshank theme and planning weekend activities in Upper Sandusky. Howard asked if anyone had "parts" they wanted to sell. The LeRoux's had a list to present.

Following the meeting, the group made the drive to the Northwest Ohio Railroad preservation site. They were having pumpkin train activities. Some from our group had a ride on the quarter scale train. Thanks to the Brownellers for planning a fun fall driving day.

**NEO  
CORRESPONDENT:  
Pat Proch**

It is now time to go south. The temperature is 40 degrees, fortunately no sign of snow, just a million leaves. NEO's October meeting was indoors at the United Way facility in Mentor. Next month, NEO will also meet at the United Way facility, along with the meeting, there will be a Soup and Salad Potluck.

The officers for next year are the same as this year, passed by a unanimous vote. Since many members go elsewhere for the winter months and to enable those people to participate in our elections, the elections are held earlier. After the meeting, Linda Thirion led a discussion on possible activities for next year.

Earlier in October, the NEO Ladies Lunch Bunch met at the 7 Ladies Tea Room in Chardon. Ten ladies attended. A variety of meals were offered beside typical tea room fare. This Tea Room is worthy of another visit. The next luncheon will be on November 15th at the Chagrin River Diner in Willoughby at 12 noon.

Although the Geneva Grape Festival Parade was reported in the NEO news, a new member, Derek Meister, also participated. Derek has become an active new member, who went on the fall foliage tour and attended the Penn-Ohio Fall Banquet.

On October 13th, our Fall Foliage Tour, led by Chris and Nancy Wolf, began at Sheetz Gas Station in Chardon, followed Rte. 44 until turning onto Bass Lake Road, and into hilly areas many of us were surprised existed. We lost count of the number of stop signs at the top of hills and at the bottom of hills. Somehow we crossed over Rt. 422 and continued driving along seeing many horse farms. This was a very scenic tour, ending at the Welshfield Inn on Rt. 422 in Troy Township. We could order off the menu and the lunch was excellent. The tour participants consisted of Chris and Nancy Wolf, Tom and Donna Bradbury, Ken and Sharon Keener with friends, Tom and Paula Jackson, Derk Meister, Rich and Linda Dynes, Rich Walters and Jean Yamber, Jim and Jayne Krager, Bill Schreiber, Rich and Becky Merkosky, Gene and Karen Brolund, and Pat Proch and Debbie Lynch. After the lunch, most of the tour went to Mary Yoder's in Middlefield, which was celebrating new ownership. They were offering free coffee and donuts. Pat Proch and Debbie Lynch and Gene and Karen Brolund took Re. 422 over to Rt. 528 and home.

## **NEO Continued:**

On the way up 528, Pat Proch's car suffered a flat tire; the tube went flat but the tire was intact. The flat occurred north of Rt. 322; it would have been nicer if the tire went flat south of 322, where there are buggy lanes and plenty of room to fix a flat. There was no place to pull over to fix the tire, so Gene suggested pulling into a driveway. We always carry a small jack with us and Gene proceeded to use the jack to raise the car and remove the tire. Pat and Debbie took the spare tire out of the wheel well. Using our battery pack with an air compressor, Gene filled the tire. Soon we were on our way again. In order for the spare to fit into the wheel well, the tire cannot be full of air. The reason for telling this tale of a simple flat tire is the fact that a flat bed truck ala AAA would have to have been called had we not had the jack and battery pack (air compressor).

Jeff Thirion related his problem with a blown head gasket while traveling to the September Penn-Ohio meet. Jeff has had numerous blown head gaskets due to a warped head, bought several years ago from Snyders. Jeff took the head down to Snyders and they replaced the head at no charge. That is wonderful treatment of a customer for Snyders to replace the defective product. Jeff advised everyone to get the AAA Premier Towing; it provides a 200 mile tow plus a couple of 100 mile tows.

Many NEO members took a ride to Canfield for the Penn-Ohio Fall Banquet. It was a perfect Model A driving day considering it was the end of the driving season. Five Points had a perfect banquet with outstanding food with a fabulous cream puff for dessert. From the Chinese auction to the Lottery tree, everything was wonderful. Congratulations to Five Points.

### **RIDGE RUNNERS CORRESPONDENT: Darlynn Fink**

The Ridge Runners met at Cook Forest State Park on Sunday, October 13th at 1 pm. The setting was beautiful for a picnic and the sun warmed up the cool, crisp air. Being surrounded by trees sporting colorful leaves and a peaceful view of the Clarion River made the picnic an ideal way to celebrate outside one more time this year before snow falls. Don Diederitter was grillmaster and made us tasty hamburgers and hot dogs. Everyone brought side dishes that were yummy. Thankfully, the cooks removed the calories from every dish so we all ate to our heart's content. The 13 Ridge Runners in attendance agreed upon plans for our Christmas party in December. The Model A's attracted attention from other folks enjoying the beautiful fall day. Next month, it is back to dinner inside at a restaurant. BUT Spring is just around the corner...not sure which corner, but just around a corner somewhere.
