2020 is almost in the rearview mirror. Like most of you, Kathy and I will not be sorry to see it go. It's been almost a year since we've seen any of our family and we won't see any of them over Christmas or in the coming months. We just are not traveling. But hope is on the horizon with the Covid 19 vaccine having

now been approved. With a little luck, we might be "back in business" in time for a summer Model A season. Penn Ohio events require some planning and so we'll all just have to see how things go.

But 2020 hasn't all been a bust. Kathy and I have been very uplifted by the unexpected phone calls we have received over the past year from Penn Ohio friends that were just checking up on us. There is a bond amongst us beyond these old cars. It's just beneath the "patina" and this bond is what really is the bedrock of our organization. Not meets or tours, but lifelong friendships that we become even more aware of during times like these.

So, from the Wolfe World Headquarters, MERRY CHRISTMAS!

See you in 2021 in your Model A!

VON

NOTES FROM THE EDITOR

I would like to thank all of those chapters who have continued to send in monthly Chapter News during this Pandemic down time! I know it is sometimes hard to find things to write about but even a “hello” from the friends we are unable to meet with is welcome news!!!

I also managed to pick up on some chapter losses in their chapter write ups. If you lose a member, PLEASE send the info to me at ***stewarddiana711@gmail.com*** so there is no chance of me missing it and we can recognize these losses in a timely manner.

CORRESPONDENCE DEADLINE

HELP NEEDED!!!

Articles for the Quail Call have been on the VERY THIN side this year due mostly to the chapters being unable to meet.

For this issue, I have dug through the picture archives that I have from previous issues and found as many Christmas pictures as I could. I will be doing a Christmas pictorial as not only filler but to enjoy seeing members that we have not seen in a while.

If you have ANYTHING that could be shared with the other chapters, please send it in and help to make our newsletter more interesting until we can all get together once again and have current things to post!!!

Thanks!!!!!!!!!!!!!! Diana

PENN OHIO CHAPTER NEWS

**TRI COUNTY
CORRESPONDENT:
DIANA STEWART**

Tri County met on a cool but sunny day on November 8th at the Manor Restaurant in Strasburg. The meet was hosted by Gary and Diana Stewart with 12 members present and 4 Model A's in the parking lot.

The meeting was called to order by Vice Pres., Dave Shanklin. Dave recognized Lillian VanFossen and Bob Eberle for their November birthdays.

Members were reminded that 2021 dues are needed to be in to Diana by the Christmas meeting on December 13th in the amount of \$35 with checks made out to Tri County "A" Ford Club.

Gary suggested that due to the increase in the pandemic plus possible hazardous driving conditions as well as a shortage of places open for dining in, that we consider cancelling the January and February 2021 meetings. Everyone agreed. We will still be holding our Christmas meeting on December 13th at Cibo's in Waynesburg at 2 pm. Reservations are needed by the Bakers no later than December 10th.

Nominations of officers was completed with the following slate of officers:

President: Dave Shanklin
Vice President: Gary Stewart
Secretary: Jan Baker
Treasurer: Diana Stewart

On our way to the cars following the meeting, Gary was approached by a gentleman named Gary Devault. It seems that he had just recently bought an "A" and was interested in our cars. Turns out, he purchased the car through an auction from our own Dwight VanFossen. Dwight was still in the lot so Gary introduced the two for the first time. Isn't it a small world??

Our Christmas event was co-ordinated by Jan Baker at Cibo's in Waynesburg on December 13th. The Bakers were unfortunately not able to attend but they sent their Christmas greetings and a favor to each person who could make it.

Tri County continued:

The restaurant was not busy so it was fairly easy to observe safety precautions and enjoy our get together.

We had 12 members and 3 guests present.

Following our meal, Mel Allen called the meeting to order. He introduced our guests, Tim Levengood and Gary & Sally Devault.

We recognized Gloria Allen who celebrated her birthday in December.

There was little news to discuss since the club has been basically non-functioning most of the year.

We played a game of “guess the number of beads in the jar” ... it was won by Candy Shanklin who received a prize of a whirligig made by Gary Stewart.

The slate of officers that was nominated at last month’s meeting was accepted and approved. The officers for 2021 will be:

Dave Shanklin - President

Gary Stewart - Vice President

Jan Baker - Secretary

Diana Stewart - Treasurer

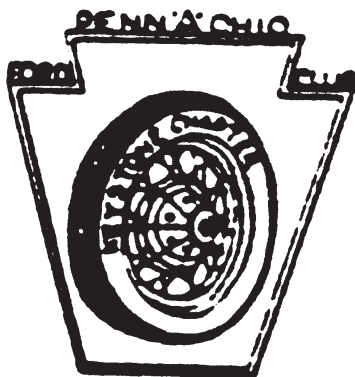

Mel asked that the club approve sending memorial contributions for a couple of close relatives of Tri County members who have passed recently. A motion was made by Bob Eberle and seconded by Leonard Hendershot for \$50 to be sent to each of the churches that these relatives attended.

As we had voted not to hold meetings for January and February in 2021, we set the next meeting for March with Dwight and Lillian VanFossen hosting at the East of Chicago in Sugarcreek. Date and time will be announced once they check with the restaurant.

Happily, Tim and his wife, Catherine, have now joined our club. WELCOME!

We also hope to see the Devaults again soon!

50/50 drawing was held and the Vanfossen’s gave the full amount to the treasury.

KEYSTONE CORRESPONDENT: Carol Mengel

The Keystone Chapter held a casual gathering at the Troyer Amish home in Harrisville. Jack and Kathy Riley were hosts. No meeting was held. There were 7 Model A's driven. We all enjoyed each other's company and delicious food. We left with full stomachs and huge donuts. We were informed of the passing of member Bill Elison. Also, Phil Macri is recovering from Covid.

KEYSTONE continued:

In October, we met at Hoss's in Meadville. Hosts were Doug and Dot Hall. Discussion was held concerning elections. It was reported that Penn Ohio was to have an upcoming meeting but there was no new information. Hoping to see everyone in November.

RUBBER CITY CORRESPONDENT: JON PETERSON

Like many of the Penn Ohio members, the year 2020 has turned out to be very challenging and problematic for Rubber City. We have seen longstanding functions cancelled, theatrical, professional and amateur groups ceased operations as well as the Cleveland Orchestra, Play House & Blossom. Thank goodness for the Model A club members and officers to have safe and enjoyable activities during these unique times. John and Sherri Hall, Jon and Pat Peterson, and John and Mary Menches dined at Menches restaurant and or had take-outs from time to time. The food was great as well as the comradery.

In September, many of the Rubber City folks met at Sarah's Vineyard for a great outdoor dining experience. This facility is just on the opposite side of the street from the Blossom, the summer home of the world Cleveland Orchestra. In attendance at this affair were: Rob & Bev Allhouse, John & Sherri Hall, Larry & Cheryl Dohner, Gary & Margaret

RUBBER CITY continued:

Martin, Pat & Cathy McGinnis, John Menches, Jon & Pat Peterson, and Tom Zimmerman, and others for total of 38 attendees. Peterson arrived somewhat late due to fuel issues. This situation could have easily been adverted by verifying a full tank of fuel. We all had a great time seeing our good Model A friends. The food and drinks were top notch.

Our November excursion was a delightful backroads thru the countryside with a destination of Mohican State Park. Again the turnout was superb due to the following attendees: Rob & Bev Allhouse, Gary & Margaret Martin, Larry & Cheryl Cogley, John & Mary Menches, Paul Menches, Dave & Lynda Baker, Jon & Pat Peterson, Dean & Kathy Stutzman. We ate well, talked much. The Landell Castle facility was very impressive and built by the owner. The setting was gorgeous with its rolling hills and roadways that curved through the hills. The road's marginal two lane width would shrink to a generous one lane coupled with a very steep severe drop down to the river below. Many kudos to Margaret Martin and John Menches for their efforts in organizing this trip.

We followed this with a great trip to Paul Menches on-going project of restoration of his historic home 100 plus years. He has encountered nob-&-tube electric, charged natural gas for lighting, dormers thirty feet above ground with a severely sloped initial walking area of a foot. There is nothing like undertaking a fun project of this scope. Since this project was in its infancy, we elected to go to our final destination of a restoration of a safe (1860's =+- heavy safe) made originally for John's great grandfather. When it is complete there are plans in progress for a grand introduction to the public at the Green's Menches Brothers restaurant.

The astute leaders of our group guided us to a very necessary ice cream stop.

FLYING QUAIL CORRESPONDENT: SUSAN SANDROCK

Sunday, November 8th was to be our scheduled Flying Quail meeting but those plans were scrapped with the surge in Covid cases. Our get well wishes go out to Steve and Alice Bower, both of whom tested positive and Steve spent some time hospitalized and is now recuperating at home.

The 8th happened to be a special birthday for Paul Neal (LXXX). So, the call went out to do drive by birthday wishes..Model A style. The weather....glorious for a drive.

Somehow, we ended up at the Sundae station in BG for probably our last ice cream of the season. 4 Model A's in the parking lot, we sat outside and did some "visiting" because it is hard to pass up an 80 degree day in November. Our election of officers is taking place via the web.

We have cancelled our Christmas meeting plans. So from the Flying Quail club to all our Penn Ohio friends, have a safe and happy Thanksgiving, Christmas & New Year.

FLYING QUAIL continued:

Hoping for better days in 2021.
