Good news!!! I can't keep it to myself!!!

At the August Rubber City meet, I got a chance to sit down and visit with my old friend and past-director, A J Pennington. In my most diplomatic manner, I mentioned as to how I had heard rumors of a possible Penn Ohio Tour in June of 2020 and asked if he had heard the same? AJ answered in the affirmative that not only had he heard the same rumors, but that he was the source!

It's TRUE!!! AJ and Carol Pennington will once again step up and plan a tour for next summer.

The Penningtons have hosted some fabulous tours in the past, Ithaca, NY; West Virginia; Alexandria Bay, NY come to mind. This tour will be a HUB TOUR in Cumberland, Maryland. Mark your calendar for the 3rd week of June 2020.

Details will be forthcoming after the November board meeting.

Just returned from the Flying Quail "Shawshank Weekend" in Upper Sandusky. The Quails put on a great 2-day meet that really showcased the history of Wyandot County and had fun with the movie sites as well. Don't know when Kathy and I have enjoyed a Penn Ohio weekend more. Good friends, good food, Model A's, throw in a little history, some downtime for visiting, and it's a can't miss gathering!

Hope to see everyone at the Fall Banquet. Two Words: CREAM PUFFS

VON

 November 5.....November-December Issue  
 January 5.....January-February Issue  
 March 5.....March-April Issue

### ***Note: Picture Problem.....Please Read***

I am requesting that, if at all possible, pictures be submitted to me in JPEG form.

Also, I am receiving more and more pics with insufficient pixels to post anything other than "small" pictures....they become far to fuzzy when enlarged. I will put larger picture where I can but I'm not going to try to post enlarged "fuzzy" pictures. I don't know if this is caused by having pictures from phones instead of cameras but will do my best to work with everything sent in.

Occasionally, I receive items that I can't open at all but I notify the submitter to try to obtain their items in another manner.

### **FIVE POINTS CORRESPONDENT: Brian Revak**

August 10th, Five Points met at Bedford Trails Golf Course for our meeting. We discussed meeting to travel to the Rubber City meet at Wingfoot Park. Pete November also has plans for the Warren Italian Fest parade. We will be moving our September meeting to the 21st so it does not interfere with Flying Quails meet in Upper Sandusky that takes place on September 14-15.

August 17 & 18 was Rubber City's meet at Wingfoot Lake. All that attended said it was a great time.

We laid out a few more plans for our fall banquet which will be held October 20th.

August 25th there was a car show/fundraiser in Fowler for the historical society. Myself, Clayton and Frank Lohry had heard it was a nice show so we went to check it out. It is a great location and HUGE Chinese auction with about 200 items that took 1.5 hrs. to hand out! We ran into other Five Points members and passed out a few club fliers to interested parties.

### **TRI COUNTY CORRESPONDENT: Diana Stewart**

Tri County members enjoyed sunny weather while traveling south to the roadside park at Piedmont Lake where we met for our August meeting hosted by Mel and Gloria Allen.

Everyone brought covered dishes to add to Gloria's delicious pulled pork and we ate quite well.

We were happy to welcome back former member, Jim Hammel, who rejoined the club. We also welcomed guests, Mark and Barb Banal who are looking to purchase an "A" and join our group (note: they have since bought one!).

Following our meal, President Roger Baker called the business meeting to order. Secretary and Treasurer reports were given and approved.

Mel shared correspondence from a gentleman who is proposing a National Model T meet in our area in 2020 and is requesting our group's assistance. Where this event is an exciting idea, our club is small and we are unsure we could manage what he is requesting. The idea was tabled for now.

When the meeting ended, we loaded into our vehicles and drove from Piedmont Lake

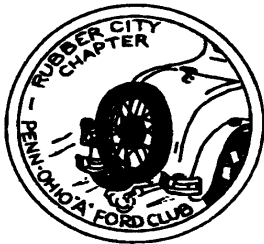

## Tri County continued:

through Freeport, around Clendening Lake to Deersville to have our dessert of homemade ice cream at the Deersville General Store...voted best ice cream in Ohio.

Our September meet will be held at TJ's Tavern in Gnadenhutten, Ohio on Saturday, September 28 at 2 pm hosted by Jacque and Holly Fisher.

**RUBBER CITY  
CORRESPONDENT:  
Bruce Rollings**

September already??? Doesn't seem possible. But there are some news items not Browns-related-- Really!!

Rubber City thanks everyone involved with the success of our August Park Picnic meet, including the weatherman! We had 20 some cars for the Saturday Prelim events at the Artapalooza and MAPS sites in Green, and 38 Model A's at Wingfoot Lake State Park on Sunday-- great turnout!! The picnic featured varied foods from the Menches catering trailer, and highly competitive games of skill and daring (?)-- cornhole, mini golf, horseshoes, and batting cages. When the scores were added up, the results were:

|                          |   |
|--------------------------|---|
| 1st place -- 168 points- | Ridge Runners, led by Don & Ruthie Niederriter and Bob Fink |
| 2nd place-- 155          | - Five Points   |
| 3rd place-- 152          | - Rubber City   |
| 4th place-- 124          | - Flying Quail  |
| 5th place-- 113          | - NEO   |

Best individual score went to Jim Clapper of Rubber City. Other big winners included Marti Altier in the \$124 50/50 drawing!!! Thanks to all who attended, participated, and pitched in for the planning, setup and cleanup!

Here's where photos would appear if I had some and knew how to magically transfer them into a document. (note: editor attended and pictures are posted on page 5 & 6)

Rubber City is also doing a tour 9/12-9/15 to the Ark & Creation Museum, including the September Shawshank Redemption themed Penn-Ohio meet - this tour set up by Renee Summers and "chief

## RUBBER CITY continued:

mechanic", John Menches.

October 13th we're doing a Fall Foliage day trip to Chatham, Lafayette, Litchfield, Medina and York (I know where 1 of those is).

Please take time for a thought for some of our members and friends who are having health issues -- in our case particularly, Dot Reid and Kirk, the Lucas's, and Hanawalts!

### FLYING QUAIL CORRESPONDENT: Susan Sandrock

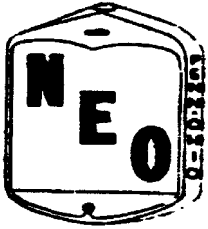

Hard to believe we have already reached the August meeting of the Flying Quail. Wonderful sunshine and temperatures for the meeting hosted by Paul and Sarah Neal at the Mail Pouch Saloon in Haskins. The tables were decorated with bandana bags of candy, cactus centerpieces and our beverages were served in cowboy boot glasses. Some members followed the "cowboy" theme suggested and arrived in the appropriate attire. 20 members attended and also our junior member, Brian Snodgrass. There were eight A's lining the street of Haskins and two T-Birds. Brad and Barry both brought their newest acquisition red pick up trucks (they were together again after nearly a year apart).

We ordered our lunches and the business meeting commenced with the majority of the meeting discussing the plans and help needed for the Penn Ohio meet we are hosting in September in Upper Sandusky. We hope there are many Model A's traveling the streets of Upper Sandusky next month.

After our meal, we left (cowboy boot mugs in hand) for a short drive to the National Construction Equipment museum. At the museum outside of Bowling Green, there is an indoor exhibit hall of restored machines and their restoration shop and additional machines outdoors. Volunteers work on the 90 some machines to restore them to operating condition and original appearance. There are items from the 1800's to the present, with items being donated all the time. We were invited to bring our cars to their Historical Construction Equipment Association 34th international convention and old equipment exposition which unfortunately is also the weekend of our Penn Ohio meet in September. They expect thousands to attend (it sounds like an earth moving time).

After our tour, we made a trip back to Haskins for ice cream, a newly opened ice cream parlor. Time for a little more A talk. Thanks to Paul (no help from Sarah) for planning the day.

**NEO  
CORRESPONDENT:  
Pat Proch**

It seems that many more parades are popping up to honor or celebrate whatever. The Fairport Harbor Mardi Gras Parade on July 3rd had only four participants: Kragers, Jim Ulle, Joe Mazzone, and Bill Grof. But the club received \$30 for their efforts. July 23rd had seven Model A's: Jim Paul, Rich Walters, Al Wilder, Jim Ulle, Rich Merkosky, Jim and Jayne Krager and Tom Bradbury with his newly restored white sedan delivery truck, driving in the Lake County Fair Parade in Painesville.

The parade and car show participation continued with the Grand River Health and Rehabilitation show on August 3rd. The Krager's had two cars entered along with Chris and Nancy Wolf, Ken Keener, and Tom Bradbury. Tom tied for first place but after the tie breaker, he went home with second place. It seems that Tom's white 1931 delivery vehicle wins at every car show he enters. On August 4th the Timberlake United Way parade was held with seven Model A's driven by Rich Walters and Jean Yamber, Ken Keener, Chris and Nancy Wolf, Jeff and Linda Thirion, Tom Bradbury, Tom and Marcia Stobierski and Jim and Jayne Krager.

On the last Saturday in September, NEO will have a number of Model A's driving in the Geneva Grape Festival Parade.

Other activities featured the Men's Coffee Gathering in Jeff Thirion's garage. The NEO Ladies monthly luncheon was held at Fugi's Chinese Buffet in Mentor on Wednesday, August 21st with eight ladies participating: Marcia Stobierski, Linda Dynes, Debbie Lynch, Pat Proch, Linda Thirion, Karen Brolund, Jayne Krager and Carol Witt. In September the ladies will meet at Ruby Tuesdays.

On August 24th a number of NEO members, who had purchased tickets in advance, met at 12 noon to board the Cuyahoga Valley railroad to take a relaxing ride to Peninsula and/or Akron. Ken and Sharon Keener boarded the train at 9 a.m. and went all the way to Akron, spending the day there. Tom and Marcia Stobierski bought tickets for the dome car, where they were served a drink and a muffin. The rest of us: Jeff and Linda Thirion, Marty Hosta and his sister, Lois, John and Christine Nestor, Rich and Linda Dynes, Carol and Paul Witt, and Pat Proch, bought the fifteen dollar seats and enjoyed the trip, probably seeing more shrubs than those in the higher seats. We got off in Peninsula and enjoyed a lunch at a local restaurant and browsing in the Park store.

Prior to our August meeting everyone enjoyed an outstanding pot luck lunch. Jim Ulle supplied the fried chicken, which many people raved about. He got it at Giant Eagle. Our September meeting will feature a breakfast brunch at 11:00. The business meeting will begin at the usual time, after which, we will drive to Ashtabula and Conneaut. In Conneaut we will enjoy ice cream at the Dairy Queen, owned by NEO member, Bill Schreiber's son. What a great way to end the day.

**COPUS HILL  
CORRESPONDENT:  
Mary Jane Saylor**

The weather couldn't have been more beautiful...sunny, 72ish, light breeze... great day to be alive!!! So Don Cover and Rachel Meade rounded up 7 Copus Hill Model A's and 2 modern in Crestline on August 10th and off we went... back roads, Model A roads, No traffic and lots of Morrow County roads most of which we've never been on... lots of farms, big and small, lots of corn and soybeans, even a long horn steer farm!!! Lots of things to see as we motored along... including the addition of the 8th A in Waldo...Val Young's "paddy wagon" with Jeff Johnson and Mary Jane Young up front and Valerie in the back on styrofoam cushions!!! She looked "sort of" comfortable!!!! All of a sudden we entered a city...Delaware to be exact!!! Our lunch spot, Buns Restaurant, was waiting and was able to feed our hungry group of 22 with yummy food and drink... busy place serving awesome portions and excellent food!!! We assembled our parade again and wound our way on more scenic country roads until we "snuck up" (somehow!) on Galion and our favorite ice cream stand!!! How Don and Rachel figured out this route with all the "turn rights" and "turn lefts" is beyond me but it was a lovely day and we thanked them as we headed home.

**CRANKSTERS  
CORRESPONDENT:  
Dawn Painter**

The Cranksters have had an exciting summer. Most recently we were invited to participate in the West by the River Home and Garden event. Our Model "A"s graced the restored early 1900's homes adding to the atmosphere.

We joined together at Gandolf's Restaurant in Valley City for a high noon lunch. We had perfect weather for lunch on the patio. The food was great, but the company and conversation were the stars at that gathering.

Our latest get-together was a trip to Chippewa Lake. One of our membris hosted a picnic at their cottage. There were pontoon boat tours and, as usual, a delicious pot luck lunch.

We're looking forward to our overnight trip to the Bellevue area and a busy fall.

## RIDGE RUNNERS CORRESPONDENT: Darlynn Fink

On Wednesday, August 23, the Ridge Runners had their monthly meeting at the home of Ray and Bonnie Cupples. The setting is extremely scenic, peaceful, and inviting, and having a picnic there is always a treat. The fifteen folks at the picnic feasted on hot dogs and hamburgers, plus a great variety of covered-dish picnic foods. Although the morning started out a little cloudy, the day became sunny and beautiful in time for our gathering.

Bonnie was healing up from a previous fall that resulted in a broken shoulder, but her injuries did not dampen her enthusiasm for being a gracious hostess.

Conversation was the chief activity of the day. Don and Ruthie Neiderriter and Bob Fink were not shy in displaying their trophy lamps that they won at the Rubber City Meet for their prowess in miniature golf, hitting balls in the batting cage, throwing horseshoes, and hitting the target in the cornhole game. They represented the Ridge Runner and snagged first place in the competition, thereby, earning bragging rights.

Plans were made for future meetings and a future tour. The meeting ended with some Labor Day trivia. For example, did you know that the Labor Day Weekend is the second deadliest weekend for traffic fatalities? The first Labor Day Parade was celebrated in 1882 in New York City.

Good friends, good food, good times.
