Although Kathy and I weren't able to work the MARC Nationals into our social calendar, I did manage to get a "hall pass" and went to Dearborn for a day. Just wanted to soak up some of the vibes and cruise a REAL swap meet.

Aside from a lunchtime trip to "Ford's Garage" we spent our time at the headquarter's hotel. Lots of Model A's from around the country and lots of people to talk to. We even ran into several Penn-Ohio members who were in attendance with their cars, some being judged.

Rain was threatening in the afternoon, but that didn't seem to really bother anyone.

While cruising the parking lot, I noticed something that I have commented on before. I had seen this on the local level, at cruise-ins, car shows,...I am referring to what I believe is a rapidly growing interest in un-restored, driving, Model A's and AA's. Several such cars were in attendance at the MARC meet and what was interesting was there was always people gathered around admiring the car and asking questions of the owner. By contrast, the meticulously restored cars, while absolutely beautiful, sat alone, as though no one dared approach them.

In my Five Points Chapter, two of our newest members have embraced the non-restored type A as their preference. They have been made safe and reliable, and yes that cost a fair amount of money, but a lot less than a restoration. These owners are having a ball and they don't have the equivalent of a modest 401K invested!

So, if you come across a Model A that looks forlorn, neglected, maybe hopeless to restore, think twice. It's likely worth saving! If you are not in the position to take on an "A rescue", make others aware of it. These cars should be saved!

Von

NOTES FROM THE EDITOR'S DESK

PLEASE NOTE.... I'm requesting all articles to be submitted by the **5th of each month** to allow me more flexibility for preparing the issues and still allow Gary and I to travel. Anything not received by the fifth will put into the next month's issue. Thank you!

The 2019 Membership Roster/Bylaws have been published and distributed at the Spring Banquet. All extra copies were given to Julie Barker, Secretary.

The rain held off and the breezes blew on a warm day in July in Erie, PA as the Keystone Chapter of the Penn-Ohio Model A Club held the July 21st meet near the Perry Monument in Presque Isle State Park.

As the 50 participants arrived, there was coffee, tea and doughnuts available.

All that registered were given a dash plaque (like the picture above) depicting various sites on the island.

There were 26 Model A's driven. Several took the guided tour stopping at the lighthouse, viewing the floating houses and passing the channel leading into Lake Erie.

Von Wolfe shared his experience of the 2019 Great Race. Several members shared their stories of times with their Model A's.

After a tasty box lunch, prizes were given at random to those registered by Von Wolfe. The Chinese auction commenced with Keystone President Ed Mengel reading the winning numbers. What fun!! After the 50/50 drawing, participants departed for home with lots of great memories of the day.

PENN-OHIO CHAPTER NEWS

#####

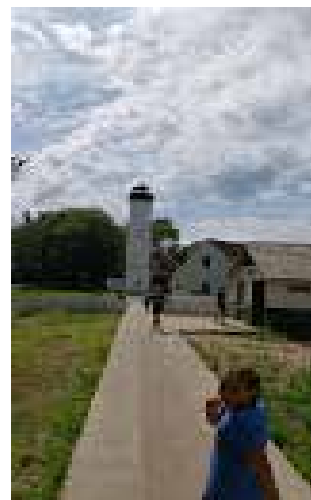

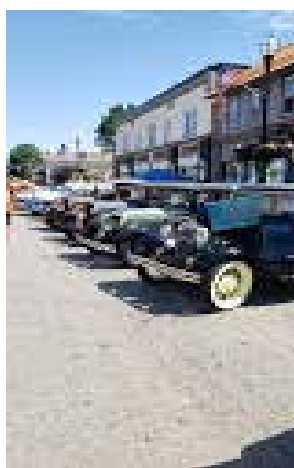

FIVE POINTS CORRESPONDENT: Brian Revak

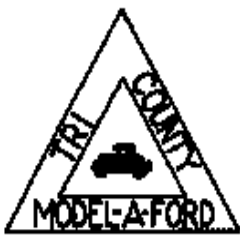

July 13th, Five Points gathered for a great picnic at the home of Don and Martha Urchek... thanks so much for the hospitality!!! We had a great lunch and meeting followed by a long white elephant gift exchange. A lot of the gifts were passed back and forth for an hour! We had a business meeting and Von spoke about Rick's Great Race adventure! Bill Shaw came up with a fun way to show off our car and hopefully recruit other A owners.

July 14th, 5 Model A's met and went to a fairly large local car show and passed out a few brochures about Penn Ohio. It was a steamy day but tons of nice cars to see! Three of us are going to hit another big car show August 4th in Howland at Wings and Wheels....which is the place I actually found out about the club.

July 21st was a perfect day to travel to Presque Isle for a picnic lunch and some picturesque day. Thanks to Keystone Chapter for hosting! What a perfect place to meet! I had never been there so I never knew just how big that state park really is.

FIVE POINTS continued:

**TRI COUNTY
CORRESPONDENT:
Diana Stewart**

On a beautiful, sunny Saturday afternoon, July 13th, Tri County members invaded the small town of Bowerston, Ohio to dine at one of Harrison County's best kept secrets, The Western Grill. The meet was hosted by Jacque and Holly Fisher with 16 members, 2 guests and 7 Model A's in attendance.

Following a wonderful meal, the meeting was called to order by Vice President, Mel Allen.

The secretary and treasurer's reports were presented by Diana Stewart and approved as read.

Mel read correspondence from Penn Ohio and discussion was held.

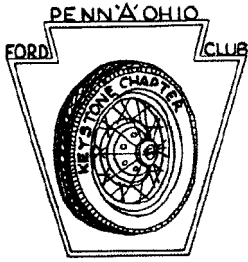

August meet will be hosted by the Allens at the Roadside Park on St. Route 22 at Piedmont Lake on Saturday, August 17th at 2 pm. Everyone is to bring a covered dish but NO DESSERTS as that is already taken care of.

Sunday, August 18th is the Penn-Ohio Meet hosted by Rubber City in Mogadore, Ohio.

50/50 was held with all funds being donated back to the Treasury for total income of \$14.00

Meeting was adjourned and we all left Bowerston taking various routes...southeast / west/ and north! We are a widespread group!!

Thanks to Jacque and Holly for an interesting venue.

**KEYSTONE
CORRESPONDENT:
Carol Mengel**

Our June meeting was held at Perkin's in Meadville hosted by Bob and Wilda Boyd. After our meal, we discussed the upcoming car show in July. Cheryl shared her rendering of the dash plaque. The hosts had asked every couple to bring a picture from their wedding. Each couple shared stories related to dating, the wedding, the honeymoon. One couple was married when he came home for leave and their honeymoon was a trip across the United States to his duty station in California. They have been married 65 years.

Another couple had to arrange dates ahead of time because one did not have a phone in their home. They have been married 61 years.

One couple went together in college, parted, married other people and had not seen each other in over 32 years. They now have been married 15 years.

One couple had their wedding pictures taken when the bride's purse was taken the week after the wedding.

One groom counted the dates he had with his wife. They were married on the 299th date and married 61 years.

One bride met her husband and told her friends she was going to marry that man. She did 3 years later and they have celebrated 63 years.

One couple said it was "love at first sight" ...now married 49 years.

Our July meeting was held at Perkin's in Meadville and was hosted by Ed and Carol Mengel. The final details of the July Meet at Preque Isle were reviewed.

Our August meeting will be at the Romesburgs.

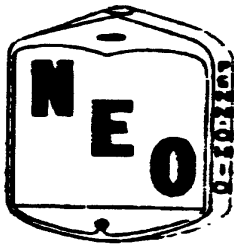

**FLYING QUAIL
CORRESPONDENT:
Susan Sandrock**

Jim and Floremar Snodgrass hosted the July 6th meeting of the Flying Quail with the group meeting at the Village Restaurant in Upper Sandusky. After lunch a short business meeting lead by Vice President Jim Snodgrass was held discussing plans for the upcoming Penn Ohio meet we are hosting in September. "Two Days of Movie Fun". Twelve members were present for the meeting. Great to see Chuck and Betsy Blankenship (some of our newer members) as well as Rick and Diane Greene back from their "Great Race" in California, Oregon and Washington. Following their travels online one could see they had a wide range of temperatures and driving conditions. They have plans to participate next year.

7 A's were driven to the meeting, 6 drove home and one took a trailer ride. Paul and Sarah Neal had a broken timing gear and head gasket issue. The unpredictability of an "A" trip!!!

A portion of the group continued to the ice cream social and old car show in Upper. Always good food, good music and of course, ice cream. Nice summer times with Model A friends!!

**NEO
CORRESPONDENT:
Pat Proch**

After the routine business items were completed, future activities were discussed and planned and a past activity was mentioned: The following men, Bill Grof, Rich Merkosky, John Nestor, Kevin Clark, Ken Keener and Marty Hosta assisted the Lake County Historical Society with one of their events by directing cars to parking spaces. Several potential activities for August were discussed: the Cuyahoga Valley Train ride won out for August 24th. The trip would last about 3 1/2 hrs, departing from the Rockside Station. After the meeting, which was held in Beaty Park in Painesville, members headed to Mary's Diner in Geneva for an early dinner.

It seems that many more communities are holding parades and car shows for various reasons. Some of our members are committing to do these parades and shows. This year only four cars, Mazzone, Krager, Ulle, and Grof were in the Mardi Gras parade in Fairport Harbor on July 3 and two cars, Krager and Walters, participated in the Mentor Headlands parade on July 4th. Several cars participated in the Lake County Fair parade on July 23rd. There was a valid complaint from one of the participants that the Model A's were placed directly behind little children, some walking and some in pedal cars as well as little cars that were propelled by feet on the pavement. A few cars may participate in the Grand River Health and Rehab Car Show on August 3rd and the Timberlake parade on August 4th. Some will attend the Pheasant Run Airport/Museum Car Show on August 15th.

Linda Thirion mentioned the mens' gathering on Tuesday mornings in Jeff's garage for coffee, donut and conversation.

The NEO ladies have been meeting for a luncheon each month at various restaurants; the next lunch will be August 21st at Fuji's in Mentor at noon. Contact Nancy Wolf if you plan to attend.

Our next meeting, which will feature a pot luck dinner with fresh corn, will be on August 11 at Beaty Park in Painesville.

**COPUS HILL
CORRESPONDENT:
Mary Jane Saylor**

Thank goodness the heat wave is over ---being house bound with the a/c on high got Copus Hill "itching" to get out and about!!! Jeff and Carolyn Long and Kenny and Linda Rachel had us (7 A's and 3 moderns) meet on the east side of Richland Mall and off we went.... westerly through Crestline, Bucyrus, Upper Sandusky and beyond, to Kenton, Ohio. The farm crops were alot different (better!) than on our trip last month...good looking soybeans and some corn already in tassel! Warm nights and hotter days will do that!!! Jeff and Valery Johnson and Mary Jane Young met us there as our destination was Brim's Imports in Kenton...can you say motorcycle??!!...over 600 of them from Harley's to Whizzers to Indians to Bucati's to even Schwinn bicycles and some I never heard of before...old ones, new ones, sidecars, picnic baskets on the back...chrome and color everywhere!!! What a collection!!!! After admiring the 3 buildings that were filled to the

COPUS HILL continued:

"brim" (get it??!), we headed to Mt. Victory for lunch at the Plaza Inn...the waitress did a good job getting all 26 orders filled as we downed everything from eggs and omelets to chicken and fish dinners to salads ... and nobody wanted dessert....too full!! We headed back to "downtown" Mt. Victory and browsed through several antique shops and then headed easterly toward home on pretty back roads. I was glad when we got to Galion as I had asked who had a tow rope because the "O" on the gas gauge was pretty clear.... I never paid attention to that when I was the passenger.... that was the driver's job, but now that I'M the driver, it became MY problem!! After filling up, I now know that there was more gas left than I thought (only put 7.1 gallons in the 10 gallon tank)...never the less, glad we found fuel. The ice cream stop on east side of Galion was ready and waiting for us and we welcomed the treats!!! Nice to have our newer members with us and Chuck and Laura now know what "boiling over" means and how you let her cool before taking it home...glad we had some moderns to help!! Otherwise, Louise is getting used to my driving (and shifting and stalling!!) and Steve and Natalie seem to be adjusting to the Copus Hill bunch. Good weather, nice roads, and great friends....as we headed our different ways home, we thanked the Longs and Rachels for another awesome day in our A's!!!

RIDGE RUNNERS CORRESPONDENT: Darlynn Fink

The Ridge Runners met at Evermoore's Restaurant in New Bethlehem, PA, for breakfast on Saturday, May 11, 2019. We were happy to have Bill Smith visit our group, we all hope he will join us again in the future. Everyone was quite talkative as the group worked on planning a trip to Cass Railroad on June 13-15. The trip to Cass, WV, took the place of the regular June meeting. Five Model A's, a Monte Carlo, and one modern car made the trip. The day started out with a threat of rain and clouds. Driving through the steep hills of Pennsylvania tested both the Model A's and their drivers. In one small town, an unexpected stop sign allowed two drivers to test their brakes and end up side by side in the middle of the intersection. The first scheduled stop was for lunch at Ohiopyle. Everyone was ready for a break from the road, and the little diner we chose offered a wide enough selection of food to satisfy our hungry group. Since the weather was still cloudy, we decided to stop on our way home to take pictures at the falls. Getting back on the road, the group quickly arrived at the next scheduled stop---Fort Necessity National Battlefield. This small fort saw the beginning of the French and Indian War in 1754. After the group watched a video detailing the events of the battle that began here, a park ranger treated us to more stories about what happened at the fort under the leadership of a 21 year old George Washington. Continuing on our way, the group headed to Elkins, West Virginia, where we had rooms reserved at the Isaac Jackson Hotel. Our noisy group enjoyed the food, but the camaraderie was even better. The next day began with a sunny, beautiful drive to Cass. Arriving early, we were able to take advantage of looking through the Cass Museum, to watch the video and look at the diorama, and finally board our train to Bald Knob at noon. Although it was in the low 70s at the depot, the temperature dropped dramatically as we approached the summit of the 4800 ft. mountain. We enjoyed a "King of the Road" hobo lunch on board. The lunch was quite good except many of the sandwiches were a little bit frozen. The view at the top of the mountain was spectacular. Overall, the close to five hour long train ride was a quite enjoyable with the beautiful scenery and a gentleman who told us stories about the mountain and history of the lumbering done there. The drive back to Elkins took

RIDGE RUNNERS continued:

us past several ski lodges and through quaint towns. We enjoyed dinner at the 1863 Grill for the second evening, again making our share of noise in the dining area. The drive home on Saturday was sunny and warm. Our first stop was a Wood Carving Festival in Addison, PA. One Model A decided to only keep moving forward because it got stuck in overdrive and the car could not be put into reverse. This caused a problem a couple times and required the men to pick up the front of the car and turn it around when reverse motion was necessary! Traveling in a Model A is always an adventure! Lunch was enjoyed at the Bittersweet Cafe in Farmington, PA. The last official stop was at Ohiopyle where pictures were taken and a search was conducted for a driver who failed to show up at the established leaving time. The lost was not really lost and eventually returned eating an ice cream cone. Overall, the trip was great! We created good memories and can't wait until our next outing.

The July 19th meeting of the Ridge Runners was held at Tarentum Station Grill in Tarentum. We had nine members in attendance and a visitor from Germany. The lunch was yummy and the company great! We had a good time sharing our tour stories and watching trains go by as we dined outside on the patio. We learned that babies born in the summer are more prone to mood swings & leprosy is more easily contracted in summer.

DRIVE THROUGH TIME...
