### CORRESPONDENCE DEADLINES

September 10 .....October Issue  
November 10 .....November-December Issue  
January 10 .....January-February Issue  
March 10 .....March-April Issue

### DIRECTOR: Matt Barker

Hello Friends!

Hope all is well. A big thank you to Erie Chapter for hosting a wonderful July meet. The scenery of Lake Erie was a beautiful backdrop for our meeting and the food was some of the best we've had!

I hope everyone that went on the Lake Erie Shores Tour had a wonderful time. I bet the D-Day reenactment was interesting and pretty cool to see. I would like to thank Jeff and Linda Thirion for hosting the Penn Ohio Tour.

I am looking forward to the September meet hosted by the Ridge Runners. What a fun theme they came up with... Penn Ohio's Got Talent! We can't wait to see what everyone's talent is. Julie and I are working on our talent so hopefully it all comes together in time for the show! I hope to see a lot of people at the September meet. The dedication that our members show who come to most of the meets is awesome! I always know who I am definitely going to see and I always look forward to sharing our latest Model A stories with them.

Another reminder that any proposals for the 2018 November Executive Board meeting are due to me by September 15th. Also, if you know that you're going to receive an attendance award this year at the Fall Banquet and your plaque is all filled up, please let the secretary know as soon as possible so she can order a new one for you. Make SURE you also let her know what you want your new board to say at the top as far as names go.

MATT

### PENN-OHIO MEETS FOR 2018

### ***In Memorium***

We are sincerely sad to report that the Crankster Chapter of Penn-Ohio has suffered the loss of FIVE of their members since January of this year.

Our deepest condolences to the families and to the Crankster Chapter at the loss of:

***Kitty Camerato - January 22nd***  
***Hans Kuenzel - March 12th***  
***Jack Heimovis - July 2nd***  
***Art Weigel - July 17th***  
***Lowell McCullough - August 13th***

**PENN-OHIO FALL BANQUET**  
**MOHICAN CHAPTER**

October 21, 2018

**WADSWORTH EAGLES**

9953 Rittman Road, Wadsworth, Ohio

Registration: 9 am to 1 pm  
Coffee, Tea & Donuts at arrival

# Penn Ohio Chapter News

## **RUBBER CITY CORRESPONDENT: Bruce Rollings**

Now that the Hall of Fame, Soapbox Derby, Twinsburg Fest, and Firestone Tourney are done, Akron traffic has returned to the normal freeway constructions and orange cone proliferation that we've become accustomed to! That and our Nexus pipeline pals - Yikes! But.... I stray.....

Rubber City had a great day trip to Snyder's Auto Parts and Car Collection, starting with breakfast at the Circle Restaurant in Deerfield, featuring Guinness' Record size pancakes along with more usual fare. We had 5 Model A's and a half-dozen or so moderns on a beautiful day! My friend, Bruce and I, together exceed the size/weight rating for the roadster pickup, but at least our modern was a Ford!

Don Snyder (III, I think) and his wife hosted our visit to the extensive collection -- everything from antique outboard motors thru Model T's and A's up through 60's muscle car, drag racers to a new version Ford GT-40---even the area marked off for the "garage" for some episodes of a TV series on Velocity channel! Several of us went to the store and bought stuff for our toys. Afterward, it was on to Der Dutch Haus for another fine feeding (even for the folks who had the breakfast pancake). Thanks to Rob & Bev Allshouse for organizing our venture!

### Upcoming Activities:

- Sept. 3 - Westfield Center car show/food fest - around 500 cars, food, root beer, homemade pies -- if interested, call Gary Martin at 330-416-8324 for info.
- Sept. 4 - Barlow Farms in Hudson -- Harvest Fest
- Oct. 14 - Still Meadow Farm Party Center/Seville Historical Museum - Rubber City will spring for main "meat" at a covered dish picnic before tour.

And then....or, "Bad Mechanic", next chapter...

"Tall Grandpa", as the grandkids call me, purchased the transmission oil dipstick level checker at Snyder's on the above mentioned tour. So far, so good. Picking a hot, humid day (not uncommon, lately), I read the detailed instructions (out of character already), and started in. It required a hole in the floorboard for access, well-defined in the instruction. I still have my triangles and square from mechanical drawing classes, so we set out to define this hole, hindered by bifocals and poor lighting. Pencil lines on dark plywood are almost invisible, but the 15 minute layout was done in about an hour, the drill and jigsaw finished it up. ONLY then did I look at the folded blue paper in the bottom of the box --- a full-size floorboard template with the hole cut out!!!! At least my version was very close to the template, and the little cover plate worked fine. Once again, we reverted to "cheapest and easiest first" a little late! Think I'll go check the level now-- That's mercifully all we've got for now --Go Tribe!!

**FLYING QUAIL  
CORRESPONDENT:  
Susan Sandrock**

Thursday, July 26th, 7 A's with 10 members and 3 guests took a day trip to Put-in-Bay (a prelude to the August meeting). We took the Miller ferry to the Island on a sunny morning. A little island driving (there were many pictures being taken of our group by the folks driving the island on the golf cars) and we arrived at the Perry's Victory and International Peace memorial. It was a bright blue sky for viewing from the top of the monument. On this day, we couldn't see quite all the way to the bank building in Cleveland, but it was very clear to the west. A walk thru town took us to the Docks for lunch. It was nice just to sit and "visit" next to the water. A stop for ice cream after lunch filled in the empty spaces. Then it was off to the winery to pick up a request for grape juice and some samples. Across the road was the antique car museum, we just had to visit that. Don's grandson, Bradie, really wanted to play golf but the skies were starting to get darker. We arrived at the boat dock but there was only room for 5 cars, so we waited. Maybe a good thing because there were some really rolling waves for that trip back. We had a rain shower while we waited but we boarded the next ferry. As we got away from the island the gray clouds and rain arrived at the island for a big rain event, we had gotten away just in time. The A's all received a little Lake Erie car wash with waves coming over the sides. We got to the mainland and drove to Jolly Roger for some fish, the sun was back out by this time. We did hear later that there was wind damage in Sandusky...so it was a memorable trip.

When planning a Model A meeting, you hope for great weather. Saturday, August 11th was one of those days, couldn't ask for better...sun, a little breeze, no rain. The Flying Quail started the day by meeting at our home for the business portion of the day. 15 members had plenty to talk about with many upcoming activities planned as the end of the driving season gets a bit closer. 7 Model A's and one modern were parked in front of the barn, with one additional A meeting us in Port Clinton.

After a brief delay to feed a thirsty radiator, and to wait for the lift bridge (finally reopened after 10 months and 4 delays) we arrived at Bistro 163 in Port Clinton. It was a "pay it forward" restaurant. (Everyone is welcome to eat a meal, patrons are encouraged to pay more if they are able to help others enjoy a meal.) The servers are all volunteers. We enjoyed our tasty and nicely presented meals.

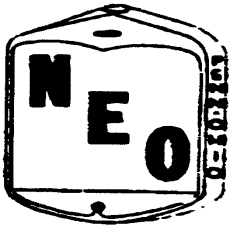

The next stop on the agenda was the Catawba Island Historical Society Museum at Union Chapel. This location just recently opened this past June after some major renovations. The summer theme is the history of ice harvesting. I believe some members were taking a trip down memory lane with production of photos of beaches and dance sites from their younger years. A right turn took us out of the parking lot and off around Marblehead peninsula to the Wolcott Keeper's House

## **FLYING QUAIL continued:**

Built in 1822, it was the home of the first keepers of the Marblehead lighthouse. The docent in the House was a descendent of Benajah Wolcott and William Kelley (the stone mason who built the Marblehead lighthouse and this home). It is the oldest home in Ottawa County.

Our learning experiences completed, the group traveled the road to the Tofts ice cream store, where Don Bench won the prize for the biggest ice cream treat!!!!

Good times with Model A friends!

**NEO  
CORRESPONDENT:  
Pat Proch**

Marty's back! Marty Hosta and his sister returned after driving in excess of 7000 miles and passing through many states as they traveled as far as Washington state and back. Marty will provide details in the future.

On Sunday, August 5th, NEO members met at Beaty Park in Painesville for the monthly meeting. The meeting was moved to the first Sunday due to the Penn-Ohio Tour beginning on August 12th. Jayne and Jim Krager with Karen and Gene Brolund provided four types of ice cream and water and served it. Carol Witt and Linda Dynes provided a variety of cookies, and Nancy Wolf brought coffee. Even though the weather was extremely hot, the ice cream was perfect!

NEO members participated in several parades this summer. On July 24th, four cars drove in the Lake County Fair Parade: Jim & Jayne Krager, Rich & Rebecca Merkosky, Al & Lorinda Wilder, and Rich Walter & Jean Yamber. Several members who usually drive in the parade were deterred by heavy rain showers at their homes. The Concord Community event saw the following members in their parade: Jim & Jayne Krager, Jeff & Linda Thirion, John Nestor, Joe Mazzone, Jim Ulle, Paul & Carol Witt, Ken & Sharon Keener, Rich & Linda Dynes, and Chris & Nancy Wolf. A charitable event and car show was held at the Pheasant Run Airport in Leroy with Chris & Nancy Wolf, Joe Mazonne, and Jim Ulle participating with their cars.

Our September meeting will again be held at Beaty Park in Painesville. This will be our annual Corn Roast featuring fresh corn supplied by Bill Grof, hamburgers and hot dogs by Jim & Jayne Krager. Rich & Linda Dynes will provide the condiments including butter for the corn with others signed up to provide casseroles, salads and desserts.

By now the Penn-Ohio Lake Shore Tour has ended and participants have headed back home. Linda and Jeff Thirion did an outstanding job in putting this tour together, overcoming some pitfalls along the way, to provide a marvelous tour and excellent driving instructions to prevent tour participants from getting lost. The Lolly the Trolley bus ride around Cleveland, highlighting the history of the area, was special along with the lunch and visit to Lakeview cemetery. Geneva on the Lake was a trip back in time to an old resort. The Hubbard House with its history of abolition activities and the Normandy Invasion Reenactment contributed to a terrific tour. Well done, Linda and Jeff !

**COPUS HILL  
CORRESPONDENT:  
Mary Jane Saylor**

The weather, the roads, the scenery, the history not to mention the friends could not have been better as the Kenny Rachel's and the Jeffrey Long's planned Copus Hill's July meet on the 28th. As the 9 Model A's assembled at Appleseed Shopping Center, we had no idea where or what our days agenda would reveal. Our southerly journey had us traveling wonderfully scenic Richland County roads in and around Mid-Ohio Sports Car Course and Clear Fork Lake that most of us had never been on even though we've heard of them often. Next thing you know, we arrive at the Bellville Jefferson Township Historical Society in downtown Bellville. What a treasure!!! The beautiful home was once the office of Dr. Paul Blackstone in the 1940s and serves as the historical showcase of the area. Artifacts are donated or on loan and our own retired dentist, Jeff Long, who practiced in Bellville for many years, presented a lamp from his office with a tooth base as well as the sign that hung outside his practice. The museum is a lovely displayed journey through local history. Thanking the volunteers with toots from our horns, we headed to Der Dutchman for lunch.

More picturesque back roads around Butler and the Mohican area brought us to the Mohican State Park Lodge for a rest stop and then on past Malabar Farm and Pleasant Valley roads to Kelly's Putt-Putt and driving range for the traditional ice cream stop!!! Sitting on the cozy patio, we all commented on what a lovely, relaxing and unique area we line in....the low mileage tour never got us far from home but was filled with new places and things we hadn't seen. The Longs and the Rachels did a great job even if we had to do a "U-ee".... all part of being in a fun group of friends!!! Thanks for a lovely day in our A's!!!!

**RIDGE RUNNERS  
CORRESPONDENT:  
Darlynn Fink**

On June 11 and 12, eight members of the Ridge Runners took a tour, driving three Model A's and a 1972 Monte Carlo. We first drove to the Flight 93 Memorial in Shanksville, PA. The new memorial is quite moving, leaving several of us with lumps in our throats and tears in our eyes. Hearing the recordings of messages sent to loved one while the plane was being attacked was extremely heartbreaking.

We had a good day for the drive and enjoyed being on the road, often taking the scenic route through parking lots and breaking the law at red lights. We drove back to Ligonier and stayed at Campbell's Bed and Breakfast, with a hostess who never failed to entertain us with her regulations and bits of advice. The accommodations were quite pleasant though, and we enjoyed a great evening meal at Carol and Dave's Restaurant. John Maholtz enlightened the group about the "Animal Menagerie" at Joe's Bar. Wow! The number of animals displayed there was beyond belief --- it is a museum of taxidermy. One problem with Ligonier is that they roll up the sidewalks at 9:00 p.m., so we couldn't even find an ice cream shop to enjoy dessert.

No trip can be complete without a "towing experience," so ending up with a Model A having a broken axle made the tour complete. The group did not let the "tow" ruin the fun. The car was sent home, and the occupants stayed with the group and enjoyed a great meal in a beautiful log cabin restaurant. We all thank Don Niederriter for planning such a great trip for the group.

The Ridge Runners Chapter took a drive to Tarentum, PA, and had brunch at the Tarentum Train Station. This is a beautiful place for lunch because we got to be seated outside near the tracks, allowing us to enjoy the colorful murals painted on the walls depicting train-related scenes from the past when this restaurant was an actual train station. We also were treated to being able to watch at least two trains pass by. There were 10 members in attendance and everyone enjoyed talking and catching up with some who had not attended recently due to recovery from operations and general "busy-ness" of life. The group eagerly discussed the upcoming meet that we will host in September. Our desire is to get some of our talented brothers and sisters from other Penn-Ohio chapters to compete for prizes.
